Article II – Determination of Gross Income

Sec. 9A-200. Determination of gross income: in general.

- (a) Gross income includes:
 - (1) the value proceeding or accruing from the sale of property, the providing of service, or both.
 - (2) the total amount of the sale, lease, license for use, or rental price at the time of such sale, rental, lease, or license.
 - (3) all receipts, cash, credits, barter, exchange, reduction of or forgiveness of indebtedness, and property of every kind or nature derived from a sale, lease, license for use, rental, or other taxable activity.
 - (4) all other receipts whether payment is advanced prior to, contemporaneous with, or deferred in whole or in part subsequent to the activity or transaction.
- (b) Barter, exchange, trade-outs, or similar transactions are includable in gross income at the fair market value of the service rendered or property transferred, whichever is higher, as they represent consideration given for consideration received.
- (c) No deduction or exclusion is allowed from gross income on account of the cost of the property sold, the time value of money, expense of any kind or nature, losses, materials used, labor or service performed, interest paid, or credits granted.
- (d) For the purposes of this chapter the total amount of gross income, gross receipts or gross proceeds of sales for nuclear fuel shall be deemed to be the value of the purchase price of uranium oxide used in producing the fuel. The tax imposed by this Chapter may be imposed only once for any one quantity or batch of nuclear fuel regardless of the number of transactions or financing arrangements which may occur with respect to that nuclear fuel.

Sec. 9A-210. Determination of gross income: transactions between affiliated companies or persons.

In transactions between affiliated companies or persons, or in other circumstances where the relationship between the parties is such that the gross income from the transaction is not indicative of the market value of the subject matter of the transaction, the Tax Collector shall determine the "market value" upon which the Town Privilege and Use Taxes shall be levied. "Market value" shall correspond as nearly as possible to the gross income from similar transactions of like quality or character by other taxpayers where no common interest exists between the parties, but otherwise under similar circumstances and conditions.

Sec. 9A-220. Determination of gross income: artificially contrived transactions.

The Tax Collector may examine any transaction, reported or unreported, if, in his opinion, there has been or may be an evasion of the taxes imposed by this Chapter and to estimate the amount subject to tax in cases where such evasion has occurred. The Tax Collector shall disregard any transaction which has been undertaken in an artificial manner in order to evade the taxes imposed by this Chapter.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Sec. 9A-230. Determination of gross income based upon method of reporting.

The method of reporting chosen by a taxpayer, as provided in Section 9A-520, necessitates the following adjustments to gross income for all purposes under this Chapter:

- (a) Cash basis – When a person elects to report and pay taxes on a cash basis, gross income for the reporting period shall include:
 - (1) the total amounts received on "paid in full" transactions, against which are allowed all applicable deductions and exclusions; and
 - (2) all amounts received on accounts receivable, conditional sales contract, or other similar transactions, against which no deductions and no exclusions from gross income are allowed. Interest on finance contracts may be deducted if separately itemized on all books and records.
- (b) Accrual basis – When a person elects to report and pay taxes on an accrual basis, gross income shall include all gross income for the applicable period regardless of whether receipts are for cash, credit, conditional, or partially deferred transactions, and regardless of whether or not any security document or instrument is sold, assigned, or otherwise transferred to another. Persons reporting on the accrual basis may deduct bad debts, provided that:
 - (1) the amount deducted for the bad debt must be deducted from gross income of the month in which the actual charge-off was made, and only to the extent that such amount was actually charged-off, and also only to the extent that such amount is or was included as taxable gross income; and
 - (2) if any amount is subsequently collected on such charged-off account, it shall be included in gross income for the month in which it was collected, without deduction for expense of collection.

Sec. 9A-240. Exclusion of cash discounts, returns, refunds, trade-in values, vendor-issued coupons, and rebates from gross income.

- (a) The following items are not included in gross income:
 - (1) Cash discounts allowed by the vendor for timely payment, but only discounts allowed against taxable gross income.
 - (2) The value of property returned by customers to the extent of the amount actually refunded either in cash or by credit and the amount refunded was included in taxable gross income.
 - (3) The trade-in allowance for tangible personal property accepted as payment, not to exceed the full sales price for any tangible personal property sold, when the full sales price is included in taxable gross income. Trade-in allowances are not allowed for manufactured buildings taxable under Section 9A-427.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (4) When coupons issued by a vendor are later accepted by the vendor as a discount against the transaction, the discount may be excluded from gross income as a cash discount. Amounts credited or refunded by a vendor for redemption of coupons issued by any person other than the vendor may not be excluded from gross income.
 - (5) Rebates issued by the vendor to a customer as a discount against the transaction may be excluded from gross income as a cash discount. Rebates issued by a person other than the vendor may not be excluded from gross income, even when the vendee assigns his right to the rebate to the vendor.
 - (6) In computing the tax base, gross proceeds of sales or gross income does not include a manufacturer's cash rebate on the sales price of a motor vehicle if the buyer assigns the buyer's right in the rebate to the retailer.
- (b) If the amount specified in subsection (a) above is credited by a vendor subsequent to the reporting period in which the original transaction occurs, such amount may be excluded from the taxable gross income of that subsequent reporting period, but only to the extent that the excludable amount was reported as taxable gross income in that prior reporting period.

Sec. 9A-250. Exclusion of combined taxes from gross income; itemization; notice; limitations.

- (a) When tax is separately charged and/or collected. The total amount of gross income shall be exclusive of combined taxes only when the person upon whom the tax is imposed shall establish to the satisfaction of the Tax Collector that such tax has been added to the total price of the transaction. The taxpayer must provide to his customer and also keep a reliable record of the actual tax charged or collected, shown by cash register tapes, sales tickets, or other accurate record, separating net transaction price and combined tax. If at any time the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts billed or collected on account of combined taxes, the claimed taxes collected may not be excluded from gross income, unless such records are completed and/or clarified to the satisfaction of the Tax Collector.
- (1) Remittance of all tax charged and/or collected. When an added charge is made to cover Town (or combined) Privilege and Use Taxes, the person upon whom the tax is imposed shall pay the full amount of the Town taxes due, whether collected by him or not, and in the event he collects more than the amount due he shall remit the excess to the Tax Collector. In the event the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts of taxes collected by him, and the Tax Collector is satisfied that the taxpayer has collected taxes in an amount in excess of the tax assessed under this Chapter, the Tax Collector may determine the amount collected and collect the tax so determined in the manner provided in this Chapter.
 - (2) Itemization. A taxpayer, in order to be entitled to exclude from his gross income any amounts paid to him by customers for combined taxes passed on to the customer, must prove that he has provided his customer with a written record of the transaction showing at a minimum the price before the tax, the combined taxes, and the total cost. This shall be addition to the record required to be kept under subsection (a) above.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (b) When tax has been neither separately charged nor separately collected. When the person upon whom the tax is imposed shall establish by means of invoices, sales tickets, or other reliable evidence, that no added charge was made to cover combined taxes, the taxpayer may exclude tax collected from such income by dividing such taxable gross income by 1.00 plus a decimal figure representing the effective combined tax rate expressed as a fraction of 1.00.

Sec. 9A-260. Exclusion of fees and taxes from gross income; limitations.

- (a) There shall be excluded from gross income of vendors of motor vehicles those motor vehicle registration fees, license fees and taxes, and lieu taxes imposed pursuant to Title 28, Arizona Revised Statutes in connection with the initial purchase of a motor vehicle, but only to the extent that such taxes or fees or both have been separately itemized and collected from the purchaser of the motor vehicle by the vendor, actually remitted to the proper registering, licensing, and taxing authorities, and the provisions of Article III, regarding recordkeeping, are met. For the purpose of the exclusion provided by this subsection only, the terms vendor and vendee shall also apply to a lessor and lessee respectively, of a motor vehicle if, in addition to all other requirements of this subsection, the lease agreement specifically requires the lessee to pay such fees or taxes, and such amounts are separately itemized in the documentation provided to the lessee.
- (b) There shall be excluded from gross income of vendors at retail of heavy trucks and trailers, the amount attributable to Federal Excise Taxes imposed by 26 U.S.C. Section 4051, but only to the extent that the provisions of Article III, relating to recordkeeping, have been met.
- (c) There shall be excluded from gross income the following fees, taxes, and lieu taxes, but only to the extent that such taxes or fees or both have been separately itemized and collected from the purchaser by the vendor, actually remitted to the proper registering, licensing, and taxing authorities, and the provisions of Article III, regarding recordkeeping, are met:

A person engaging or continuing in one or more businesses at two (2) or more locations or under two (2) or more business names shall procure a license for each such location or business name. A "location" is a place of a separate business establishment.
- (e) Real Property Rental, Leasing, and Licensing for Use. In all cases the Transaction Privilege and Use Tax License shall be issued only to the owner of the real property regardless of the owner engaging a property manager or other broker to oversee the owner’s business activity including filing tax returns on behalf of the owner. Each rental property that can be independently sold or transferred is deemed to be a separate business establishment. Each platted parcel of real property subject to the tax imposed by this Chapter is deemed to be a separate business establishment and requires a separate license, regardless of the number of rental units located on that platted parcel. If one structure is located on multiple parcels in a manner such that ownership of an individual parcel cannot be sold or transferred without requiring alteration to divide the structure, one license shall be required for all affected parcels.

Sec. 9A-320. License fees; annual renewal; renewal fees.

- (a) The Transaction Privilege and Use Tax License shall be valid upon receipt of a non-refundable license fee of two dollars (\$2.00), except for a license to engage in the business activity of residential or commercial real property rental, leasing, and licensing for use as separately

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

identified in this Section. The Transaction Privilege and Use Tax License shall be valid only for the calendar year in which it is issued unless renewed each year by filing the appropriate application for license renewal and paying an annual license renewal fee of zero dollars (\$0.00) for each license, subject to the limitations in A.R.S. Section 42-5005. Such annual renewal fee shall be due and payable on January 1 of each year and shall be considered delinquent if not paid and received on or before the last business day of January.

- (b) The Transaction Privilege and Use Tax License to engage in the business activity of residential real property rental, leasing, and licensing for use shall be valid only upon receipt of a non-refundable license fee of two dollars (\$2.00). The Transaction Privilege and Use Tax License shall be valid only for the calendar year in which it is issued unless renewed each year by filing the appropriate application for license renewal and paying an annual license renewal fee of zero dollars (\$0.00) for each license, subject to the limitations in A.R.S. Section 42-5005. Such fee shall be due and payable on January 1 of each year and shall be considered delinquent if not paid and received on or before the last business day of January.
- (c) The Transaction Privilege and Use Tax License to engage in the business activity of commercial real property rental, leasing, and licensing for use shall be valid only upon receipt of a non-refundable license fee of two dollars (\$2.00). The Transaction Privilege and Use Tax License shall be valid only for the calendar year in which it is issued unless renewed each year by filing the appropriate application for license renewal and paying an annual license renewal fee of zero dollars (\$0.00) for each license, subject to the limitations in A.R.S. Section 42-5005. Such fee shall be due and payable on January 1 of each year and shall be considered delinquent if not paid and received on or before the last business day of January.

Sec. 9A-330. Licensing; duration; transferability; display; penalties; penalty waiver; relicensing; fees collectible as if taxes.

- (a) The Transaction Privilege and Use Tax License shall be valid only for the calendar year in which it is issued unless renewed each year by filing the appropriate application for license renewal and paying the applicable license renewal fee for each license, subject to the limitations in A.R.S. Section 42-5005. Such fee shall be due and payable on January 1 of each year and shall be considered delinquent if not paid and received on or before the last business day of January. Application and payment of the annual fee must be received in the Tax Collector's office to be deemed paid and received.
- (b) The Transaction Privilege and Use Tax License shall be nontransferable between owners or locations, and shall be on display to the public in the licensee's place of business.
- (c) Any person required to be licensed under this Chapter who fails to obtain a license on or before conducting any business activity requiring such license shall be subject to the license fees due for each year in business plus a penalty in the amount of fifty percent (50%) of the applicable fee for each period of time for which such fee would have been imposed, from and after the date on which such activity commenced until paid. This penalty shall be in addition to any other penalty imposed under this Chapter and must be paid prior to the issuance of any license. License fee

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

penalties may be waived by the Tax Collector subject to the same terms as the waiver of tax penalties as provided for in Section 9A-540.

- (d) Any licensee who fails to renew his license on or before the due date shall be deemed to be operating without a license following such due date, and shall be subject to all penalties imposed under this Chapter against persons required to be licensed and operating without a license. The non-licensed status may be removed by payment of the annual license fee for each year or portion of a year he operated without a license, plus a license fee penalty of fifty percent (50%) of the license fee due for each year. License fee penalties may be waived by the Tax Collector subject to the same terms as the waiver of tax penalties as provided for in Section 9A-540.
- (e) Any licensee who permits his license to expire through cancellation as provided in Section 9A-340, by his request for cancellation, by surrender of the license, or by the cessation of the business activity for which the license was issued, and who thereafter applies for a license, shall be granted a new license as a new applicant and shall pay the current license fee imposed under Section 9A-320.
- (f) Any licensee who needs a copy of his Transaction Privilege and Use Tax License which is still in effect shall be charged the current license fee for each reissuance of a license.
- (g) Any person conducting a business activity subject to licensing without obtaining a Transaction Privilege and Use Tax License shall be liable to the Town for all applicable fees and penalties and shall be subject to the provisions of Sections 9A-580 and 9A-590, to the same extent as if such fees and penalties were taxes and penalties under such Sections.

Sec. 9A-340. Licensing: cancellation; revocation.

- (a) Cancellation. The Tax Collector may cancel the Transaction Privilege and Use Tax License of any licensee as "inactive" if the taxpayer, required to report monthly, has neither filed any return nor remitted any taxes imposed by this Chapter for a period of six (6) consecutive months; or, if required to report quarterly, has neither filed any return nor remitted any taxes imposed by this Chapter for two (2) consecutive quarters; or, if required to report annually, has neither filed any return nor remitted any taxes imposed by this Chapter when such annual report and tax are due to be filed with and remitted to the Tax Collector.
- (b) Revocation. If any licensee fails to pay any tax, interest, penalty, fee, or sum required to be paid under this Chapter, or if such licensee fails to comply with any other provisions of this Chapter, the Tax Collector may revoke the Transaction Privilege and Use Tax License of said licensee.
- (c) Notice and Hearing. The Tax Collector shall deliver notice to such licensee of cancellation or revocation of the Transaction Privilege and Use Tax License. If the licensee requests a hearing within twenty (20) days of receipt of such notice, he shall be granted a hearing before the Tax Collector.
- (d) After cancellation or revocation of a taxpayer's license, the taxpayer shall not be issued a new license until all reports have been filed; all fees, taxes, interest, and penalties due have been paid; and he is in compliance with all provisions of this Chapter.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Sec. 9A-350. Operating without a license.

It shall be unlawful for any person who is required by this Chapter to obtain a Transaction Privilege and Use Tax License to engage in or continue in business without a license. The Tax Collector shall assess any delinquencies in tax, interest, and penalties which may apply against such person upon any transactions subject to the taxes imposed by this Chapter.

Sec. 9A-360. Recordkeeping requirements.

- (a) It shall be the duty of every person subject to the tax imposed by this Chapter to keep and preserve suitable records and such other books and accounts as may be necessary to determine the amount of tax for which he is liable under this Chapter. The books and records must contain, at a minimum, such detail and summary information as may be required by this Article; or when records are maintained within an electronic data processing (EDP) system, the requirements established by the Arizona Department of Revenue for privilege tax filings will be accepted. It shall be the duty of every person to keep and preserve such books and records for a period equal to the applicable limitation period for assessment of tax, and all such books and records shall be open for inspection by the Tax Collector during any business day.
- (b) The Tax Collector may direct, by letter, a specific taxpayer to keep specific other books, records, and documents. Such letter directive shall apply:
 - (1) only for future reporting periods, and
 - (2) only by express determination of the Tax Collector that such specific recordkeeping is necessary due to the inability of the taxing jurisdiction to conduct an adequate examination of the past activities of the taxpayer, which inability resulted from inaccurate or inadequate books, records, or documentation maintained by the taxpayer.

Sec. 9A-362. Recordkeeping: income.

The minimum records required for persons having gross income subject to, or exempt or excluded from, tax by this Chapter must show:

- (a) The gross income of the taxpayer attributable to any activity occurring in whole or in part in the Town.
- (b) The gross income taxable under this Chapter, divided into categories as stated in the official Town tax return.
- (c) The gross income subject to Arizona Transaction Privilege Taxes, divided into categories as stated in the official State tax return.
- (d) The gross income claimed to be exempt, and with respect to each activity or transaction so claimed:
 - (1) If the transaction is claimed to be exempt as a sale for resale or as a sale, rental, lease, or license for use of rental equipment:

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (A) The Town Privilege License number and State Transaction Privilege Tax License number of the customer (or the equivalent Town, if applicable, and state tax numbers of the Town and state where the customer resides), and
 - (B) The name, business address, and business activity of the customer, and
 - (C) Evidence sufficient to persuade a reasonably prudent businessman that the transaction is believed to be in good faith a purchase for resale, or a purchase, rental, lease, or license for use of rental equipment, by the vendee in the ordinary and regular course of his business activity, as provided by Regulation.
- (2) If the transaction is claimed to be exempt for any other reason:
- (A) The name, business address, and business activity of the customer, and
 - (B) Evidence which would establish the applicability of the exemption to a reasonably prudent businessman acting in good faith. Ordinary business documentation which would reasonably indicate the applicability of an exemption shall be sufficient to relieve the person on whom the tax would otherwise be imposed from liability therein, if he acts in good faith as provided by Regulation.
- (e) With respect to those allowed deductions or exclusions for tax collected or charges for delivery or other direct customer services, where applicable, evidence that the deductible income has been separately stated and shown on the records of the taxpayer and on invoices or receipts provided to the customer. All other deductions, exemptions, and exclusions shall be separately shown and substantiated.
- (f) With respect to special classes and activities, such other books, records, and documentation as the Tax Collector, by regulation, shall deem necessary for specific classes of taxpayer by reason of the specialized business activity of any such class.
- (g) In all cases, the books and records of the taxpayer shall indicate both individual transaction amounts and totals for each reporting period for each category of taxable, exempt, and excluded income defined by this Chapter.

Sec. 9A-364. Recordkeeping: expenditures.

The minimum records required for persons having expenditures, costs, purchases and rental or lease or license expenses subject to, or exempt or excluded from, tax by this Chapter are:

- (a) The total price of all goods acquired for use or storage in the Town.
- (b) The date of acquisition and the name and business address of the seller or lessor of all goods acquired for use or storage in the Town.
- (c) Documentation of taxes, freight, and direct customer service labor separately charged and paid for each purchase, rental, lease, or license.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (d) The gross price of each acquisition claimed as exempt from tax, and with respect to each transaction so claimed, sufficient evidence to satisfy the Tax Collector that the exemption claimed is applicable.
- (e) As applicable to each taxpayer, documentation sufficient to the Tax Collector, so that he may ascertain:
 - (1) All construction expenditures and all Privilege and Use Taxes claimed paid, relating to owner-builders and speculative builders.
 - (2) Disbursement of collected gratuities and related payroll information required of restaurants.
 - (3) (Reserved)
 - (A) (Reserved)
 - (B) (Reserved)
 - (4) The validity of any claims of proof of exemption.
 - (5) A claimed alternative prior value for reconstruction.
 - (6) (Reserved)
 - (7) (Reserved)
 - (8) Payments of tax to the Arizona Department of Transportation and computations therefor, when a motor-vehicle transporter claims such the exemption.
 - (9) Payments by tenants subject to the tax upon Rental Occupancy imposed by Section 9A-440.)
- (f) Any additional documentation as the Tax Collector, by Regulation, shall deem necessary for any specific class of taxpayer by reason of the specialized business activity of specific exemptions afforded to that class of taxpayer.
- (g) In all cases, the books and records of the taxpayer shall indicate both individual transaction amounts and totals for each reporting period for each category of taxable, exempt, and excluded expenditures as defined by this Chapter.

Sec. 9A-366. Recordkeeping: out-of-Town and out-of-State sales.

- (a) Out-of-Town Sales. Any person engaging or continuing in a business who claims out-of-Town sales shall maintain and keep accounting records or books indicating separately the gross income from the sales of tangible personal property from such out-of-Town branches or locations.
- (b) Out-of-State sales. Persons engaged in a business claiming out-of-State sales shall maintain accounting records or books indicating for each out-of-State sale the following documentation:
 - (1) documentation of location of the buyer at the time of order placement; and
 - (2) shipping, delivery, or freight documents showing where the buyer took delivery; and

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (3) documentation of intended location of use or storage of the tangible personal property sold to such buyer.

Sec. 9A-370. Recordkeeping: claim of exclusion, exemption, deduction, or credit; documentation; liability.

- (a) All deductions, exclusions, exemptions and credits provided in this Chapter are conditional upon adequate proof and documentation of such as may be required under A.R.S. Section 42-5022 or by this Chapter or Regulation.
- (b) Any person who claims and receives an exemption, deduction, exclusion, or credit to which he is not entitled under this Chapter, shall be subject to, liable for, and pay the tax on the transaction as if the vendor subject to the tax had passed the burden of the payment of the tax to the person wrongfully claiming the exemption. A person who wrongfully claimed such exemption shall be treated as if he is delinquent in the payment of the tax and shall be subject to interest and penalties upon such delinquency. However, if the tax is collected from the vendor on such transaction it shall not again be collected from the person claiming the exemption, or if collected from the person claiming the exemption it shall not also be collected from the vendor.

Sec. 9A-372. Proof of exemption: sale for resale; sale, rental, lease, or license of rental equipment.

A claim of purchase for resale or of purchase, rental, lease, or license for rent, lease, or license is valid only if the evidence is sufficient to persuade a reasonably prudent businessman that the particular item is being acquired for resale or for rental, lease, or license in the ordinary course of business. The fact that the acquiring person possesses a Privilege License number, and makes a verbal claim of "sale for resale or lease" or "lease for re-lease" does not meet this burden and is insufficient to justify an exemption. The "reasonable evidence" must be evidence which exists objectively, and not merely in the mind of the vendor, that the property being acquired is normally sold, rented, leased, or licensed by the acquiring person in the ordinary course of business. Failure to obtain such reasonable evidence at the time of the transaction will be a basis for disallowance of any claimed deduction on returns filed for such transactions.

Sec. 9A-380. Inadequate or unsuitable records.

In the event the records provided by the taxpayer are considered by the Tax Collector to be inadequate or unsuitable to determine the amount of the tax for which such taxpayer is liable under the provisions of this Chapter, it is the responsibility of the taxpayer either:

- (a) to provide such other records required by this Chapter or Regulation; or
- (b) to correct or to reconstruct his records, to the satisfaction of the Tax Collector.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Article IV – Privilege Taxes

Sec. 9A-400. Imposition of Privilege Taxes; presumption.

- (a) There are hereby levied and imposed, subject to all other provisions of this Chapter, the following Privilege Taxes for the purpose of raising revenue to be used in defraying the necessary expenses of the Town, such taxes to be collected by the Tax Collector:

- (d) Limitation of exemptions, deductions, and credits allowed against the measure of taxes imposed by this Chapter. All exemptions, deductions, and credits set forth in this Chapter shall be limited to the specific activity or transaction described and not extended to include any other activity or transaction subject to the tax.

Sec. 9A-405. Advertising.

- (a) The tax rate shall be at an amount equal to two and two-tenths percent (2.2%) of the gross income from the business activity upon every person engaging or continuing in the business of "local advertising" by billboards, direct mail, radio, television, or by any other means. However, commission and fees retained by an advertising agency shall not be includable in gross income from "local advertising". All delivery or disseminating of information directly to the public or any portion thereof for a consideration shall be considered "Local Advertising", except the following:
 - (1) the advertising of a product or service which is sold or provided both within and without the State by more than one "commonly designated business entity" within the State, and in which the advertisement names either no "commonly designated business entity" within the State or more than one "commonly designated business entity". "Commonly Designated Business Entity" means any person selling or providing any product or service to its customers under a common business name or style, even though there may be more than one legal entity conducting business functions using the same or substantially the same business name or style by virtue of a franchise, license, or similar agreement.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Sec. 9A-407. (Reserved)

 - (2) (Reserved)
- (b) Deductions or exemptions. The gross proceeds of sales or gross income derived from the following sources is exempt from the tax imposed by this Section:
- (1) (Reserved)
 - (2) Amounts retained by the Arizona Exposition and State Fair Board from ride ticket sales at the annual Arizona State Fair.
 - (3) Income received from a hotel business subject to tax under Section 9A-444, if all of the following apply:
 - (A) The hotel business receives gross income from a customer for the specific business activity otherwise subject to amusement tax.
 - (B) The consideration received by the hotel business is equal to or greater than the amount to be deducted under this subsection.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (C) The hotel business has provided an exemption certificate to the person engaging in business under this section.
- (4) Income that is specifically included as the gross income of a business activity upon which another Section of this Article imposes a tax, that is separately stated to the customer and is taxable to the person engaged in that classification not to exceed consideration paid to the person conducting the activity.
- (5) Income from arranging transportation connected to amusement activity that is separately stated to the customer, not to exceed consideration paid to the transportation business.
- (c) The tax imposed by this Section shall not include arranging an amusement activity as a service to a person's customers if that person is not otherwise engaged in the business of operating or conducting an amusement themselves or through others. This exception does not apply to businesses that operate or conduct amusements pursuant to customer orders and send the billings and receive the payments associated with that activity, including when the amusement is performed by third party independent contractors. For the purposes of this paragraph, "arranging" includes billing for or collecting amusement charges from a person's customers on behalf of the persons providing the amusement.

Sec. 9A-415. Construction contracting: construction contractors.

- (a) The tax rate shall be at an amount equal to three and one-half percent (3.5%) of the gross income from the business upon every construction contractor engaging or continuing in the business activity of construction contracting within the Town.
 - (1) However, gross income from construction contracting shall not include charges related to groundwater measuring devices required by A.R.S. Section 45-604.

 - (3) gross income from construction contracting shall not include gross income from the sale of manufactured buildings taxable under Section 9A-427.
 - (4) For taxable periods beginning from and after July 1, 2008, the portion of gross proceeds of sales or gross income attributable to the actual direct costs of providing architectural or engineering services that are incorporated in a contract is not subject to tax under this Section. For the purposes of this subsection, "direct costs" means the portion of the actual costs that are directly expended in providing architectural or engineering services.

 - (2) All construction contracting gross income subject to the tax and not deductible herein shall be allowed a deduction of thirty-five percent (35%).

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (3) The gross proceeds of sales or gross income attributable to the purchase of machinery, equipment or other tangible personal property that is exempt from or deductible from privilege or use tax under:
- (A) Section 9A-465, subsections (g) and (p)
 - (B) (Reserved)
- shall be exempt or deductible, respectively, from the tax imposed by this Section.
- (4) The gross proceeds of sales or gross income that is derived from a contract entered into for the installation, assembly, repair or maintenance of income-producing capital equipment, as defined in Section 9A-110, that is deducted from the retail classification pursuant to Section 9A-465(g) that does not become a permanent attachment to a building, highway, road, railroad, excavation or manufactured building or other structure, project, development or improvement shall be exempt from the tax imposed by this Section. If the ownership of the realty is separate from the ownership of the income-producing capital equipment, the determination as to permanent attachment shall be made as if the ownership was the same. The deduction provided in this paragraph does not include gross proceeds of sales or gross income from that portion of any contracting activity which consists of the development of, or modification to, real property in order to facilitate the installation, assembly, repair, maintenance or removal of the income-producing capital equipment. For purposes of this paragraph, "permanent attachment" means at least one of the following:
- (A) to be incorporated into real property.
 - (B) to become so affixed to real property that it becomes part of the real property.
 - (C) to be so attached to real property that removal would cause substantial damage to the real property from which it is removed.

- (6) The gross proceeds of sales or gross income that is derived from the installation, assembly, repair or maintenance of cleanrooms that are deducted from the tax base of the retail classification pursuant to Section 9A-465, subsection (g) shall be exempt from the tax imposed under this Section.
- (7) The gross proceeds of sales or gross income that is derived from a contract entered into with a person who is engaged in the commercial production of livestock, livestock products or agricultural, horticultural, viticultural or floricultural crops or products in this State for the construction, alteration, repair, improvement, movement, wrecking or demolition or addition to or subtraction from any building, highway, road, excavation, manufactured building or other structure, project, development or improvement used directly and primarily to prevent, monitor, control or reduce air, water or land pollution shall be exempt from the tax imposed under this Section.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (8) The gross proceeds of sales or gross income received from a post construction contract to perform post-construction treatment of real property for termite and general pest control, including wood destroying organisms, shall be exempt from tax imposed under this Section.

Section 9-499.08 if the contractor maintains the following records in a form satisfactory to the Arizona Department of Revenue and to the Town:
- (A) The certificate of qualification of the lake facility development issued by the Town pursuant to A.R.S. Section 9-499.08, subsection D.
 - (B) All state and local transaction privilege tax returns for the period of time during which the contractor received gross proceeds of sales or gross income from a contract to construct a lake facility development in a designated commercial enhancement reuse district, showing the amount exempted from state and local taxation.

- (10) Any amount attributable to development fees that are incurred in relation to the construction, development or improvement of real property and paid by the taxpayer as defined in the model city tax code or by a contractor providing services to the taxpayer. For the purposes of this paragraph:
- (A) the attributable amount shall not exceed the value of the development fees actually imposed.
 - (B) the attributable amount is equal to the total amount of development fees paid by the taxpayer or by a contractor providing services to the taxpayer and the total development fees credited in exchange for the construction of, contribution to or dedication of real property for providing public infrastructure, public safety or other public services necessary to the development. The real property must be the subject of the development fees.
 - (C) "development fees" means fees imposed to offset capital costs of providing public infrastructure, public safety or other public services to a development and authorized pursuant to A.R.S. Section 9-463.05, A.R.S. Section 11-1102 or A.R.S. Title 48 regardless of the jurisdiction to which the fees are paid.

Sec. 9A-416. Construction contracting: speculative builders.

- (a) The tax shall be equal to three and one-half percent (3.5%) of the gross income from the business activity upon every person engaging or continuing in business as a speculative builder within the Town.
 - (1) The gross income of a speculative builder considered taxable shall include the total selling price from the sale of improved real property at the time of closing of escrow or transfer of title.
 - (2) "Improved Real Property" means any real property:
 - (A) upon which a structure has been constructed; or
 - (B) where improvements have been made to land containing no structure (such as paving or landscaping); or
 - (C) which has been reconstructed as provided by Regulation; or
 - (D) where water, power, and streets have been constructed to the property line.
 - (3) "Sale of Improved Real Property" includes any form of transaction, whether characterized as a lease or otherwise, which in substance is a transfer of title of, or equitable ownership in, improved real property and includes any lease of the property for a term of thirty (30) years or more (with all options for renewal being included as a part of the term). In the case of multiple unit projects, "sale" refers to the sale of the entire project or to the sale of any individual parcel or unit.

- (1) In cases involving reconstruction contracting, the speculative builder may exclude from gross income the prior value allowed for reconstruction contracting in determining his taxable gross income, as provided by Regulation.
- (2) Neither the cost nor the fair market value of the land which constitutes part of the improved real property sold may be excluded or deducted from gross income subject to the tax imposed by this Section.
- (3) (Reserved)
- (4) A speculative builder may exclude gross income from the sale of partially improved residential real property as defined in (a)(4) above to another speculative builder only if all of the following conditions are satisfied:
 - (A) The speculative builder purchasing the partially improved residential real property has a valid Town privilege license for construction contracting as a speculative builder; and
 - (B) At the time of the transaction, the purchaser provides the seller with a properly completed written declaration that the purchaser assumes liability for and will pay all privilege taxes which would otherwise be due the Town at the time of sale of the partially improved residential real property; and
 - (C) The seller also:
 - (i) maintains proper records of such transactions in a manner similar to the requirements provided in this chapter relating to sales for resale; and
 - (ii) retains a copy of the written declaration provided by the buyer for the transaction; and
 - (iii) is properly licensed with the Town as a speculative builder and provides the Town with the written declaration attached to the Town privilege tax return where he claims the exclusion.
- (5) For taxable periods beginning from and after July 1, 2008, the portion of gross proceeds of sales or gross income attributable to the actual direct costs of providing architectural or engineering services that are incorporated in a contract is not subject to tax under this section. For the purposes of this subsection, “direct costs” means the portion of the actual costs that are directly expended in providing architectural or engineering services.

- (a) Notwithstanding Section 9-540(a), no interest or penalty may be assessed on an amount assessed as a deficiency if either:

- (b) If the Tax Collector adopts a new interpretation or application of any provision of this Chapter or determines that any provision applies to a new or additional category or type of business and the change in interpretation or application is not due to a change in the law:
 - (1) the change in interpretation or application applies prospectively only unless it is favorable to taxpayers.
 - (2) the Tax Collector shall not assess any tax, penalty or interest retroactively based on the change in interpretation or application.
- (c) For purposes of subsection (b), "new interpretation or application" includes policies and procedures which differ from established interpretations of this Chapter.

It is the responsibility of the taxpayer to prove that the Tax Collector's estimate is not reasonable and correct, by providing sufficient documentation of the type and form required by this Chapter or satisfactory to the Tax Collector.

Sec. 9A-546. (Reserved) (State Administration and Audits)

misapplication; approval; rules. (Local Audits)

- (a) If the Tax Collector determines that noncompliance with tax obligations results from extensive misunderstanding or misapplication of provisions of this Chapter it may enter into closing agreements with those taxpayers under the following terms and conditions:
 - (1) extensive misunderstanding or misapplication of the tax laws occurs if the Tax Collector determines that more than sixty percent (60%) of the persons in the affected class have failed to properly account for their taxes owing to the same misunderstanding or misapplication of the tax laws.
 - (2) the Tax Collector shall publicly declare the nature of the possible misapplication and the proposed definition of the class of affected taxpayers and shall conduct a public hearing to hear testimony regarding the extent of the misapplication and the definition of the affected class.
 - (3) if, after the public hearing, the Tax Collector determines that a class of affected taxpayers has failed to comply with their tax obligations because of extensive misunderstanding or misapplication of the tax laws it shall issue a tax ruling announcing that finding and publish the ruling in a newspaper of general circulation in the Town and through the next two model city tax code updates.
 - (4) a closing agreement under this Section may abate some or all of the penalties, interest and tax that taxpayers have failed to remit, or the agreement may provide for the prospective treatment of the matter as to the class of affected taxpayers. All taxpayers in the class shall be offered the opportunity to enter into a similar agreement for the same tax periods.
 - (5) taxpayers in the affected class who have properly accounted for their tax obligations for these tax periods shall be offered the opportunity to enter into an equivalent closing agreement providing for a pro rata credit or refund of their taxes previously paid.
 - (6) the closing agreement shall require the taxpayers to properly account for and pay such taxes in the future. If a taxpayer fails to adhere to such a requirement, the closing agreement is voidable by the Tax Collector and he may assess the taxpayer for the delinquent taxes. The Tax Collector may issue such a proposed assessment within six months after the date that he declares that closing agreement void or within the period prescribed by Section 9-550 of this Chapter.
- (b) Before entering into closing agreements pursuant to this Section, the Tax Collector shall secure such approval as required by charter, ordinance or administrative regulation.
- (c) After a closing agreement has been signed pursuant to this Section, it is final and conclusive except on a showing of fraud, malfeasance or misrepresentation of a material fact. The case shall not be reopened as to the matters agreed upon or the agreement shall not be modified by any officer, employee or agent of the Town. The agreement or any determination, assessment, collection, payment abatement, refund or credit made pursuant to the agreement shall not be annulled, modified, set aside or disregarded in any suit, action or proceeding.

If the Arizona Department of Revenue intends to conduct an audit of a taxpayer, the cities or towns for whom a joint audit is being conducted may accept the audit by the Arizona Department of Revenue or may elect to have a representative participate, provided that no more than two city or town representatives in total may participate.
 - (1) If a city or town does not accept the audit as a joint audit, the city or town may not conduct an audit of the taxpayer for forty-two months from the close of the last tax period covered by the audit unless an exception applies to that taxpayer pursuant to A.R.S. Section 42-2059.

- (e) The fact that the taxpayer has not maintained or provided such books and records which the Tax Collector considers necessary to determine the tax liability of any person does not preclude the Tax Collector from making any assessment. In such cases, the Tax Collector is authorized to use estimates, projections, or samplings, to determine the correct tax. The provisions of Section 9A-545(b), concerning estimates, shall apply.

The applicability of this subsection, and the Tax Collector's right to proceed thereunder, may be raised and contested by the taxpayer in a subsequent administrative review brought pursuant to Section 9A-570.
- (b) An audit or examination conducted by any other taxing jurisdiction will not preclude the Tax Collector from conducting an audit or examination for the same time period.
- (c) If the Tax Collector issues a notice of deficiency pursuant to either Section 9A-545(a) or Section 9A-555(f), the Tax Collector may not increase the proposed deficiency except in one or more of the following circumstances:
 - (1) the taxpayer made a material misrepresentation of fact.
 - (2) the taxpayer failed to disclose a material fact.
 - (3) the Tax Collector submitted a written request for information prior to issuance of the assessment, and the taxpayer, despite possessing or having access to such information, failed to provide it within 60 days as required by Section 9A-555(c).
 - (4) after issuing the notice of determination of deficiency but before the deficiency became final, the Arizona Tax Court, Court of Appeals or Supreme Court issued a decision, the applicability of which causes the deficiency initially proposed to increase.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Sec. 9A-565. Payment of tax by the incorrect taxpayer or to the incorrect Arizona city or town.

- (a) When it is determined that taxes have been reported and paid to the Town by the wrong taxpayer, any taxes erroneously paid shall be transferred by the Town to the privilege tax account of the person who actually owes and should have paid such taxes, provided that the Town receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax.
- (b) An assignment and waiver provided under this Section, must:
 - (1) identify the name and town privilege license number of the person who erroneously paid the tax and the person who should have paid the tax.
 - (2) provide that the person who erroneously paid the tax waives any right such person may have to a refund of the taxes erroneously paid.
 - (3) authorize the Town Treasurer to transfer the erroneously paid tax to the privilege tax account of the person who should have paid the tax.
- (c) When it is determined that taxes have been reported and paid to the wrong Arizona city or town, such taxes shall be remitted to the correct city or town, provided that the city or town to whom the taxes were erroneously paid receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax. Where the person who actually paid the tax and the person who should have paid the tax are one and the same, no assignment and waiver need be provided. The Town shall neither pay nor charge any interest or penalty on any overpayment or underpayment except such interest and penalty actually paid by the taxpayer relating to such tax.
- (d) This Section in no way limits or restricts the applicability of any remedies which may otherwise be available under A.R.S. Section 42-6003. The limitations and procedures set forth in A.R.S. Section 42-6003 shall apply to all payments under this Section.
- (e) When reference is made in this Section to this town or an Arizona city or town, and payments made to or requested from this Town or an Arizona city or town, the provisions shall be applicable to the Arizona Department of Revenue when it is acting for or on behalf of this Town or an Arizona city or town.

Sec.9A-570. Administrative review; petition for hearing or for redetermination; finality of order. (Local Audits)

For the purposes of this section, "Municipal Tax Hearing Office" means the administrative offices of the Municipal Tax Hearing Officer.

- (a) Informal Conference. A taxpayer shall have the right to discuss any proposed assessment with the auditor prior to the issuance of any assessment, but any such informal conference is not required for the taxpayer to file a petition for administrative review.
- (b) Administrative Review.
 - (1) Filing a Petition. Other than in the case of a jeopardy assessment, a taxpayer may contest the applicability or amount of tax, penalty, or interest imposed upon or paid by him pursuant to this Chapter by filing a petition for a hearing or for redetermination with the Tax Collector as set forth below:
 - (A) within forty-five (45) days of receipt by the taxpayer of notice of a determination by the Tax Collector that a tax, penalty, or interest amount is due, or that a request for refund or credit has been denied; or
 - (B) by voluntary payment of any contested amount when accompanied by a timely filed return and a petition requesting a refund of the protested portion of said payment; or
 - (C) by petition accompanying a timely filed return contesting an amount reported but not paid; or
 - (D) by petition requesting review of denial of waiver of penalty as provided in

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

subsection 9A-540(g).

- (2) Extension to file a petition. In all cases, the taxpayer may request only an extension from the Tax Collector. Such request must be in writing, state the reasons for the requested delay, and must be filed with the Tax Collector within the period allowed above for originally filing a petition. The Tax Collector shall allow a forty-five (45) day extension to file a petition, when such written request has been properly and timely made by the taxpayer. The Tax Collector may grant an additional extension and may determine the corresponding time of any such extension at his sole discretion.
- (3) Requirements for petition.
 - (A) The petition shall be in writing and shall set forth the reasons why any correction, abatement, or refund should be granted, and the amount of reduction or refund requested. The petition may be amended at any time prior to the time the taxpayer rests his case at the hearing or such time as the Hearing Officer allows for submitting of amendments in cases of redeterminations without hearings. The Hearing Officer may require that amendments be in writing, and in that case, he shall provide a reasonable period of time to file the amendment. The Hearing Officer shall provide a reasonable period of time for the Tax Collector to review and respond to the petition and to any written amendments.
 - (B) The taxpayer, as part of the petition, may request a hearing which shall be granted by the Hearing Officer. If no request for hearing is made the petition shall be considered to be submitted for decision by the Hearing Officer on the matters contained in the petition and in any reply made by the Tax Collector.
 - (C) The provisions of this Section are exclusive, and no petition seeking any correction, abatement, or refund shall be considered unless the petition is timely and properly filed under the Section.
- (4) Transmittal to Hearing Officer. The Town shall designate a Hearing Officer, who may be other than an employee of the town. The Tax Collector, if designated to receive petitions, shall forward any petition to the Municipal Tax Hearing Officer (MTHO) within twenty (20) days after receipt, accompanied by documentation as to timeliness. In cases where the Hearing Officer determines that the petition is not timely or not in proper form, he shall notify both the taxpayer and the Tax Collector; and in cases of petitions not in proper form only, the Hearing Officer shall provide the taxpayer with an extension up to forty-five (45) days to correct the petition.
- (5) Hearings shall be conducted by a Hearing Officer and shall be continuous until the Hearing Officer closes the record. The taxpayer may be heard in person or by his authorized representative at such hearing. Hearings shall be conducted informally as to the order of proceeding and presentation of evidence. The Hearing Officer shall admit evidence over hearsay objections where the offered evidence has substantial probative value and reliability. Further, copies of records and documents prepared in the ordinary course of business may be admitted, without objection as to foundation, but subject to argument as to weight, admissibility, and authenticity. Summary accounting records may

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

be admitted subject to satisfactory proof of the reliability of the summaries. In all cases, the decision of the Hearing Officer shall be made solely upon substantial and reliable evidence. All expenses incurred in the hearing shall be paid by the party incurring the same.

- (6) Redeterminations upon a "petition for redetermination" shall follow the same conditions, except that no oral hearing shall be held.
 - (7) Hearing Ruling. In either case, the Hearing Officer shall issue his ruling not later than forty-five (45) days after the close of the record by the Hearing Officer.
 - (8) Notice of Refund or Adjusted Assessment. Within sixty (60) days of the issuance of the Hearing Officer's decision, the Tax Collector shall issue to the taxpayer either a notice of refund or an adjusted assessment recalculated to conform to the Hearing Officer's decision.
- (c) Stipulations that future tax is also protested. A taxpayer may enter into a stipulation with the Tax Collector that future taxes of similar nature are also at issue in any protest or appeal. However, unless such stipulation is made, it is presumed that the protest or appeal deals solely and exclusively with the tax specifically protested and no other. When a taxpayer enters into such a stipulation with the Tax Collector that future taxes of similar nature will be included in any redetermination, hearing, or court case, it is the burden of that taxpayer to identify, segregate, and keep record of such income or protested taxable amount in his books and records in the same manner as the taxpayer is required to segregate exempt income.
- (d) When an assessment is final.
- (1) If a request for administrative review and petition for hearing or redetermination of an assessment made by the Tax Collector is not filed within the period required by subsection (b) above, such person shall be deemed to have waived and abandoned the right to question the amount determined to be due and any tax, interest, or penalty determined to be due shall be final as provided in subsections 9A-545(a) and 9A-555(f).
 - (2) The decision made by the Hearing Officer upon administrative review by hearing or redetermination shall become final thirty (30) days after the taxpayer receives the notice of refund or adjusted assessment required by subsection (b)(8) above, unless the taxpayer appeals the order or decision in the manner provided in Section 9A-575.
- (e) The provisions of the state taxpayer bill of rights (A.R.S. Section 42-2051 et. seq.) shall not apply.

Sec. 9A-571. Jeopardy assessments. (State Administration and Audits)

- (a) If the Tax Collector believes that collection of any amounts imposed by this Chapter will be jeopardized by delay, he shall issue notice to the taxpayer in accordance with the provisions of A.R.S. Section 42-1111.
- (b) In cases where such jeopardy notice has been issued, the taxpayer must meet the provisions of A.R.S. Section 42-1111, concerning appeals of jeopardy assessments, before any request for

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

administrative review shall be honored. Any bond or collateral that may be required shall meet the provisions of A.R.S. Section 42-1102.

- (c) (Reserved)
- (d) (Reserved)
- (e) (Reserved)

Sec. 9A-571. Jeopardy assessments. (Local Audits)

- (a) If the Tax Collector believes that the collection of any assessment or deficiency of any amounts imposed by this Chapter will be jeopardized by delay, he shall deliver to the taxpayer a notice of such finding and demand immediate payment of the tax or deficiency declared to be in jeopardy, including interest, penalties, and additions.
- (b) Jeopardy assessments are immediately due and payable, and the Tax Collector may immediately begin proceedings for collection. The taxpayer, however, may stay collection by filing, within ten (10) days after receipt of notice of jeopardy assessment, or within such additional time as the Tax Collector may allow, by bond or collateral in favor of the town in the amount Tax Collector declared to be in jeopardy in his notice.
- (c) "Bond or Collateral", as required by this Section,
 - (1) shall mean either:
 - (A) a bond issued in favor of the town by a surety company authorized to transact business in this State and approved by the Director of Insurance as to solvency and responsibility, or
 - (B) collateral composed of securities or cash which are deposited with, and kept in the custody of, the Tax Collector.
 - (2) shall be of such form that it may, at any time without notice, be applied to any tax, penalties, or interest due and payable for the purposes of this Chapter. Securities held as collateral by the Tax Collector must be of a nature that they may be sold at public or private sale without notice to the taxpayer.
- (d) If bond or collateral is not filed within the period prescribed by subsection (b) above, the tax collector may treat the assessment as final for purposes of any collection proceedings. The taxpayer nevertheless shall be afforded the appeal rights provided in Sections 9A-570 and 9A-575. The filing of a petition by the taxpayer under Section 9A-570, however, shall not stay the tax collector's rights to pursue any collection proceedings.
- (e) If the taxpayer timely files sufficient bond or collateral, the jeopardy requirements are deemed satisfied, and the taxpayer may avail himself of the provisions of Section 9A-570, including requests for additional time to file a petition.

Sec. 9A-572. (Reserved) (State Administration and Audits)

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Sec. 9A-572. Expedited review of jeopardy assessments. (Local Audits)

- (a) Within thirty (30) days after the day on which the Tax Collector furnishes the written notice required by Section 9A-571(a), the taxpayer, pursuant to Section 9A-570, may request the Tax Collector to review the action taken. Within fifteen (15) days after the request for review, the Tax Collector shall determine whether both the jeopardy determination and the amount assessed are reasonable.
- (b) Within thirty (30) days after the Tax Collector notifies the taxpayer of the determination he reached pursuant to subsection (a) above, the taxpayer may bring a civil action in the appropriate court. If the taxpayer so requests, the Town shall stipulate to an accelerated and expedited resolution of the civil action. If the court determines that either the jeopardy determination or the amount assessed is unreasonable, the court may order the Tax Collector to abate the assessment, to redetermine any part of the amount assessed or to take such other action as the court finds to be appropriate. A determination made by the court under this subsection is final except as provided in Arizona Revised Statutes Section 12-170.

Sec. 9A-575. Judicial review. (State Administration and Audits)

- (a) Appeal of a State Board of Tax Appeals decision to the courts is valid only if all the provisions of A.R.S. Section 42-1254 are met.
- (b) (Reserved)
- (c) (Reserved)
- (d) (Reserved)
- (e) The Town has the burden of proof by a preponderance of the evidence in any court proceeding regarding any factual issue relevant to ascertaining the tax liability of a taxpayer. This subsection does not abrogate any requirement of this Chapter that requires a taxpayer to substantiate an item of gross income, exclusion, exemption, deduction, or credit. This subsection applies to a factual issue if a preponderance of the evidence demonstrates that:
 - (1) the taxpayer asserts a reasonable dispute regarding the issue.
 - (2) the taxpayer has fully cooperated with the tax collector regarding the issue, including providing within a reasonable period of time, access to and inspection of all witnesses, information and documents within the taxpayer's control, as reasonably requested by the tax collector.
 - (3) the taxpayer has kept and maintained records as required by the Town.
- (f) The issuance of an adjusted or corrected assessment or notice of refund due to the taxpayer, where made by the Tax Collector pursuant to the decision of the Hearing Officer, shall not be deemed an acquiescence by the town or the Tax Collector in said decision, nor shall it constitute a bar or estoppel to the institution of an action or counterclaim by the town to recover any amounts claimed to be due to it by virtue of the original assessment.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (g) After the initiation of any action in the appropriate court by either party, the opposite party may file such counterclaim as would be allowed pursuant to the Arizona Rules of Civil Procedure.

Sec. 9A-575. Judicial review. (Local Audits)

- (a) A taxpayer may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action against the town in the appropriate Court of this County. A taxpayer is not required to pay any tax, penalty, or interest upheld by the Hearing Officer before seeking such judicial review.
- (b) The Tax Collector may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action in the appropriate Court of this County.
- (c) An action for judicial review cannot be commenced by either the taxpayer or the Tax Collector more than thirty (30) days after receipt by the taxpayer of notice of any refund or assessment recalculated or reduced to conform to the Hearing Officer's decision, unless the time to commence such an action is extended in writing signed by both the taxpayer and the Tax Collector. Failure to bring the action within thirty (30) days or such other time as is agreed upon in writing shall constitute a waiver of any right to judicial review, except as provided in subsection (f) below.
- (d) The court shall hear and determine the appeal as a trial de novo; however, the Tax Collector cannot raise in the court any grounds or basis for the assessment not asserted before the Hearing Officer. Nothing in this subsection, however, shall preclude the Tax Collector from responding to any arguments which are raised by the taxpayer in the appeal.
- (e) The Town has the burden of proof by a preponderance of the evidence in any court proceeding regarding any factual issue relevant to ascertaining the tax liability of a taxpayer. This subsection does not abrogate any requirement of this Chapter that requires a taxpayer to substantiate an item of gross income, exclusion, exemption, deduction, or credit. This subsection applies to a factual issue if a preponderance of the evidence demonstrates that:
 - (1) the taxpayer asserts a reasonable dispute regarding the issue.
 - (2) the taxpayer has fully cooperated with the tax collector regarding the issue, including providing within a reasonable period of time, access to and inspection of all witnesses, information and documents within the taxpayer's control, as reasonably requested by the tax collector.
 - (3) the taxpayer has kept and maintained records as required by the Town.
- (f) The issuance of an adjusted or corrected assessment or notice of refund due to the taxpayer, where made by the Tax Collector pursuant to the decision of the Hearing Officer, shall not be deemed an acquiescence by the town or the Tax Collector in said decision, nor shall it constitute a bar or estoppel to the institution of an action or counterclaim by the town to recover any amounts claimed to be due to it by virtue of the original assessment.
- (g) After the initiation of any action in the appropriate court by either party, the opposite party may file such counterclaim as would be allowed pursuant to the Arizona Rules of Civil Procedure.

Sec. 9A-577. (Reserved)

Sec. 9A-578. (Reserved) (State Administration and Audits)

Sec. 9A-578. Reimbursement of fees and other costs; definitions. (Local Audits)

- (a) A taxpayer who is a prevailing party may be reimbursed for reasonable fees and other costs related to any administrative proceeding brought by the taxpayer pursuant to Section 9A-570(b). For purposes of this Section, a taxpayer is considered to be the prevailing party only if both of the following are true:
 - (1) the Tax Collector's position was not substantially justified.
 - (2) the taxpayer prevails as to the most significant issue or set of issues.
- (b) Reimbursement under this Section may be denied if any of the following circumstances apply:
 - (1) during the course of the proceeding the taxpayer unduly and unreasonably protracted the final resolution of the matter.
 - (2) the reason that the taxpayer prevailed is due to an intervening change in the applicable law.
- (c) The taxpayer shall present an itemization of the reasonable fees and other costs to the Taxpayer Problem Resolution Officer within thirty (30) days after receipt by the taxpayer of a notice of refund or recalculated assessment issued by the Tax Collector pursuant to Section 9A-570(b)(8). The Taxpayer Problem Resolution Officer shall determine the validity of the fees and other costs within thirty (30) days after receiving the itemization. The Taxpayer Problem Resolution Officer's decision is considered a final decision. Either the taxpayer or the Tax Collector may seek judicial review of the Taxpayer Problem Resolution Officer's decision. An action for judicial review, however, shall not be commenced more than thirty (30) days after receipt of the resolution officer's decision.
- (d) In the event judicial review is not sought pursuant to subsection (c) above, the Town shall pay the fees and other costs awarded as provided in this Section within thirty days after demand by a person who has received an award pursuant to this Section.
- (e) Reimbursement to a taxpayer under this Section shall not exceed twenty thousand dollars or actual monies spent, whichever is less. The reimbursable attorney or representative fees shall not exceed one hundred dollars per hour or actual monies spent, whichever is less, unless the Taxpayer Problem Resolution Officer determines that an increase in the cost of living or a special factor such as the limited availability of qualified attorneys or representatives for the proceeding involved justifies a higher fee.
- (f) For purposes of this Section "reasonable fees and other costs" means fees and other costs that are based on prevailing market rates for the kind and quality of the furnished services, but not exceeding the amounts actually spent for expert witnesses, the cost of any study, analysis, report,

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

test or project that is found to be necessary to prepare the party's case and necessary fees for attorneys or other representatives.

Sec. 9A-580. Criminal penalties.

- (a) It is unlawful for any person to knowingly or willfully:
 - (1) fail or refuse to make any return required by this Chapter.
 - (2) fail to remit as and when due the full amount of any tax or additional tax or penalty and interest thereon.
 - (3) make or cause to be made a false or fraudulent return.
 - (4) make or cause to be made a false or fraudulent statement in a return, in written support of a return, or to demonstrate or support entitlement to a deduction, exclusion, or credit or to entitle the person to an allocation or apportionment or receipts subject to tax.
 - (5) fail or refuse to permit any lawful examination of any book, account, record, or other memorandum by the Tax Collector.
 - (6) fail or refuse to remit any tax collected by such person from his customer to the Tax Collector before the delinquency date next following such collection.
 - (7) advertise or hold out to the public in any manner, directly or indirectly, that any tax imposed by this Chapter, as provided in this Chapter, is not considered as an element in the price to the consumer.
 - (8) fail or refuse to obtain a Privilege License or to aid or abet another in any attempt to intentionally refuse to obtain such a license or evade the license fee.
 - (9) reproduce, forge, falsify, fraudulently obtain or secure, or aid or abet another in any attempt to reproduce, forge, falsify, or fraudulently obtain or secure, an exemption from taxes imposed by this Chapter.
- (b) The violation of any provision of subsection (a) above shall constitute a Class One Misdemeanor.
- (c) In addition to the foregoing penalties, any person who shall knowingly swear to or verify any false or fraudulent statement, with the intent aforesaid, shall be guilty of the offense of perjury and on conviction thereof shall be punished in the manner provided by law.

Sec. 9A-590. Civil actions. (State Administration and Audits)

- (a) Liens.
 - (1) Any tax, penalty, or interest imposed under this Chapter which has become final, as provided in this Chapter, shall become a lien when the town perfects a notice and claim of lien setting forth the name of the taxpayer, the amount of the tax, penalty, and interest, the period or periods for which the same is due, and the date of accrual thereof, the amount of the recording costs by the county recorder in any county in which the taxpayer owns real property and the documentation and lien processing fees imposed by the Town

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Council and further, stating that the town claims a lien therefor.

- (2) The notice of claim of lien shall be signed by the tax collector under his official seal or the official seal of the town, and, with respect to real property, shall be recorded in the office of the County Recorder of any county in which the taxpayer owns real property, and, with respect to personal property shall be filed in the office of the Secretary of State. After the notice and claim of lien is recorded or filed, the taxes, penalties, interest and recording costs and lien processing fees referred to above in the amounts specified therein shall be a lien on all real property of the taxpayer located in such county where recorded, and all tangible personal property of the taxpayer within the State, superior to all other liens and assessments recorded or filed subsequent to the recording or filing of the notice and claim of lien.
 - (3) Every tax and any increases, interest, penalties, and recording costs and lien processing fees referred to above, shall become from the time the same is due and payable a personal debt from the person liable to the town, but shall be payable to and recoverable by the Tax Collector and which may be collected in the manner set forth in subsection (b) below.
 - (4) Any lien perfected pursuant to this Section shall, upon payment of the taxes, penalties, interest, recording costs and lien processing fees referred to above and lien release fees imposed by the county recorder in any county in which the lien was recorded, thereby, be released by the Tax Collector in the same manner as mortgages and judgments are released. The Tax Collector may, at his sole discretion, release a lien in part, that is, against only specified property, for partial payment of moneys due the town.
- (b) Actions to recover tax. The Arizona Department of Revenue, or any agent or representative authorized by that Department, may bring action, in the name of the town, to recover taxes as provided in A.R.S. Section 42-1114.

Sec. 9A-590. Civil actions. (Local Audits)

- (a) Liens.
 - (1) Any tax, penalty, or interest imposed under this Chapter which has become final, as provided in this Chapter, shall become a lien when the town perfects a notice and claim of lien setting forth the name of the taxpayer, the amount of the tax, penalty, and interest, the period or periods for which the same is due, and the date of accrual thereof, the amount of the recording costs by the county recorder in any county in which the taxpayer owns real property and the documentation and lien processing fees imposed by the Town Council and further, stating that the town claims a lien therefor.
 - (2) The notice of claim of lien shall be signed by the Town Manager under his official seal or the official seal of the town, and, with respect to real property, shall be recorded in the office of the County Recorder of any county in which the taxpayer owns real property, and, with respect to personal property shall be filed in the office of the Secretary of State. After the notice and claim of lien is recorded or filed, the taxes, penalties, interest and

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

recording costs and lien processing fees referred to above in the amounts specified therein shall be a lien on all real property of the taxpayer located in such county where recorded, and all tangible personal property of the taxpayer within the State, superior to all other liens and assessments recorded or filed subsequent to the recording or filing of the notice and claim of lien.

- (3) Every tax and any increases, interest, penalties, and recording costs and lien processing fees referred to above, shall become from the time the same is due and payable a personal debt from the person liable to the town, but shall be payable to and recoverable by the Tax Collector and which may be collected in the manner set forth in subsection (b) below.
 - (4) Any lien perfected pursuant to this Section shall, upon payment of the taxes, penalties, interest, recording costs and lien processing fees referred to above and lien release fees imposed by the county recorder in any county in which the lien was recorded, thereby, be released by the Tax Collector in the same manner as mortgages and judgments are released. The Tax Collector may, at his sole discretion, release a lien in part, that is, against only specified property, for partial payment of moneys due the town.
- (b) Actions to recover tax. An action may be brought by the Town Attorney or other legal advisor to the town designated by the Town Council, at the request of the Tax Collector, in the name of the town, to recover the amount of any taxes, penalties, interest, recording costs, lien processing fees and lien release fees due under this Chapter; provided that:
- (1) no action or proceeding may be taken or commenced to collect any taxes levied by this Chapter until the amount thereof has been established by assessment, correction, or reassessment; and
 - (2) such collection effort is made or the proceedings begun:
 - (A) within six (6) years after the assessment of the tax; or
 - (B) prior to the expiration of any period of collection agreed upon in writing by the Tax Collector and the taxpayer before the expiration of such six (6) year period, or any extensions thereof; or
 - (C) at any time for the collection of tax arising by reason of a tax lien perfected, recorded, or possessed by the town under this Section.

Sec. 9A-595. Collection of taxes when there is succession in and/or cessation of business.

- (a) In addition to any remedy provided elsewhere in this Town Code that may apply, the Tax Collector may apply the provisions of subsections (b) through (d) below concerning the collection of taxes when there is succession in and/or cessation of business.
- (b) The taxes imposed by this Chapter are a lien on the property of any person subject to this Chapter who sells his business or stock of goods, or quits his business, if the person fails to make a final return and payment of the tax within fifteen (15) days after selling or quitting his business.
- (c) Any person who purchases, or who acquires by foreclosure, by sale under trust deed or warranty

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

deed in lieu of foreclosure, or by any other method, improved real property or a portion of improved real property for which the Privilege Tax imposed by this Chapter has not been paid shall be responsible for payment of such tax as a speculative builder or owner builder, as provided in Sections 9A-416 and 9A-417.

- (1) Any person who is a creditor or an affiliate of creditor, who acquires improved real property directly or indirectly from the creditor's debtor by any means set forth in this subsection, shall pay the tax based on the amount received by the creditor or its affiliate in a subsequent sale of such improved real property to a party unrelated to the creditor, regardless of when such subsequent sale takes place. Such tax shall be due in the month following the month in which the sale of the improved real property by the creditor or its affiliate occurs. Notwithstanding the foregoing, if the real property meets the definition of partially improved residential real property in Section 9A-416(a)(4) and all of the requirements of Section 9A-416(b)(4) are met by the parties to the subsequent sale transaction, then the tax shall not apply to the subsequent sale.
 - (2) In the event a creditor or its affiliate uses the acquired improved real property for any business purpose, other than operating the property in the manner in which it was operated, or was intended to be operated, before the acquisition or in any other manner unrelated to selling the property, the tax shall be due. The gross income upon which the tax shall be determined pursuant to Sections 9A-416 and 9A-417 shall be the fair market value of the improved real property as of the date of acquisition. The tax shall be due in the month following the month in which such first business use occurs. When applicable, the credit bid shall be deemed to be the fair market value of the property as of the date of acquisition.
 - (3) Once the subsequent sale by the creditor or its affiliate has occurred and the creditor or its affiliate has paid the tax due from it pursuant to this subsection, neither the creditor nor its affiliate, nor any future owner, shall be liable for any outstanding tax, penalties or interest that may continue to be due from the debtor based on the transfer from the debtor to the creditor or its affiliate.
 - (4) If the tax liability imposed by either Section 9A-416 or Section 9A-417 on the transfer of the improved real property to the creditor or its affiliate, or any part thereof, is paid to the tax collector by the debtor subsequent to payment of the tax by the creditor or its affiliate, the amount so paid may constitute a credit, as equitably determined by the tax collector in good faith, against the tax imposed on the creditor or its affiliate by either paragraph 1 or paragraph 2 of this subsection.
 - (5) Notwithstanding anything in this chapter to the contrary, if a creditor or its affiliate is subject to tax as described in paragraph 1 or paragraph 2 of this subsection and such creditor or affiliate has not previously been required to be licensed, such creditor or affiliate shall become licensed no later than the date on which the tax is due.
- (d) A person's successors or assignees shall withhold from the purchase money an amount sufficient to cover the taxes required to be paid, and interest or penalties due and payable, until the former owner produces a receipt from the Tax Collector showing that all Town tax has been paid or a certificate stating that no amount is due as then shown by the records of the Tax Collector. The

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Tax Collector shall respond to a request from the seller for a certificate within fifteen (15) days by either providing the certificate or a written notice stating why the certificate cannot be issued.

- (1) If a subsequent audit shows a deficiency arising before the sale of the business, the deficiency is an obligation of the seller and does not constitute a liability against a buyer who has received a certificate from the Tax Collector.
- (2) If the purchaser of a business or stock of goods fails to obtain a certificate as provided by this Section, he is personally liable for payment of the amount of taxes required to be paid by the former owner on account of the business so purchased, with interest and penalties accrued by the former owner or assignees.

Sec. 9A-596. (Reserved) (State Administration and Audits)

Sec. 9A-596. Agreement for installment payments of tax. (Local Audits)

- (a) The Town may enter into an agreement with a taxpayer to allow the taxpayer to satisfy a liability for any tax imposed by this Chapter by means of installment payments. The Tax Collector may require a taxpayer who requests an installment payment agreement to complete a financial report in such form and manner as the Tax Collector may prescribe.
- (b) The Tax Collector, without notice, may alter, modify or terminate an installment payment agreement if the taxpayer:
 - (1) fails to pay an installment at the time the installment payment is due under the agreement.
 - (2) fails to pay any other tax liability at the time the liability is due.
 - (3) fails to file any tax report or return at the time the report or return is due.
 - (4) fails to furnish any information requested by the Tax Collector within thirty days after receiving a written request for such information.
 - (5) fails to notify the Tax Collector of a material improvement in the taxpayer's financial condition above the income previously reported in the most recent income statement within thirty days after the material improvement.
 - (6) provides inaccurate, false or incomplete information to the Tax Collector.
- (c) Notwithstanding any installment payment agreement, the Tax Collector may offset any tax refunds against the liabilities provided for in the installment payment agreement, may file and perfect any tax liens and, in the event the taxpayer breaches any term or provision of the installment payment agreement, may engage in collection activities.
- (d) The Tax Collector, without notice, may terminate an installment payment agreement if the Tax Collector believes that the collection of tax to which the payment agreement pertains is in jeopardy.
- (e) If the Tax Collector determines that the financial condition of a taxpayer has improved, the Tax Collector may alter, modify or terminate the agreement by providing notice to the taxpayer at

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

least thirty days before the effective date of the action. The notice shall include the reasons why the Tax Collector believes the alteration, modification or termination is appropriate.

- (f) An installment payment agreement shall remain in effect for the term of the agreement except as otherwise provided in this Section.
- (g) A taxpayer who is aggrieved by a decision of the Tax Collector to refuse to enter into an installment payment agreement or to alter, modify or terminate an agreement entered into pursuant to this Section may petition the Taxpayer Problem Resolution Officer to review that determination. The Taxpayer Problem Resolution Officer may stay such alteration, modification or termination pending its review and may modify or nullify the determination.
- (h) The Town and the taxpayer may modify any installment payment agreement at any time by entering into a new or modified agreement.

Sec. 9A-597. (Reserved) (State Administration and Audits)

Sec. 9A-597. Private taxpayer rulings; request; revocation or modification; definition. (Local Audits)

- (a) The Tax Collector shall issue private taxpayer rulings to taxpayers and potential taxpayers on request. Each request shall be in writing and shall:
 - (1) state the name, address and, if applicable, taxpayer identifying number of the taxpayer or potential taxpayer who requests the ruling.
 - (2) describe all facts that are relevant to the requested ruling.
 - (3) state whether, to the best knowledge of the taxpayer or potential taxpayer, the issue or related issues are being considered by the Tax Collector or any other taxing jurisdiction in connection with an active audit, protest or appeal that involves the taxpayer or potential taxpayer and whether the same request has been or is being submitted to another taxing jurisdiction for a ruling.
 - (4) be signed by the taxpayer or potential taxpayer who makes the request or by an authorized representative of the taxpayer or potential taxpayer.
- (b) A private taxpayer ruling may be revoked or modified by either:

 - (2) actual written notice by the Tax Collector to the last known address of the taxpayer or potential taxpayer of the revocation or modification of the private taxpayer ruling.
- (c) With respect to the taxpayer or prospective taxpayer to whom a private taxpayer ruling is issued, the revocation or modification of a private taxpayer ruling shall not be applied retroactively to tax periods or tax years before the effective date of the revocation or modification and the Tax Collector shall not assess any penalty or tax attributable to erroneous advice that is furnished to the taxpayer or potential taxpayer in the private taxpayer ruling if:

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (1) the taxpayer reasonably relied on the private taxpayer ruling.
 - (2) the penalty or tax did not result either from a failure by the taxpayer to provide adequate or accurate information or from a change in the information.
- (d) A private taxpayer ruling may not be relied upon, cited nor introduced into evidence in any proceeding by any taxpayer other than the taxpayer who received the ruling.
 - (e) A taxpayer may appeal the propriety of a retroactive application of a revoked or modified private taxpayer ruling by filing a written petition with the Tax Collector pursuant to Section 9A-570 within forty-five (45) days after receiving written notice of the intent to retroactively apply a revoked or modified private taxpayer ruling.
 - (f) A private taxpayer ruling constitutes the Tax Collector's interpretation of the Sections of this Chapter only as they apply to the taxpayer making, and the particular facts contained in, the request.
 - (g) A private taxpayer ruling which addresses a taxpayer's ongoing business activities will apply only to transactions that occur or tax liabilities that accrue from and after the date of the taxpayer's ruling request.
 - (h) The Tax Collector shall attempt to issue private taxpayer rulings within forty-five (45) days after receiving the written request and on receiving the facts that are relevant to the ruling. If the ruling is expected to be delayed beyond the forty-five (45) days, the Tax Collector shall notify the requestor of the delay and the proposed date of issuance.
 - (i) Within thirty (30) days after being issued, the Tax Collector shall maintain the private taxpayer ruling as a public record and make it available at a reasonable cost for public inspection and copying. The text of private taxpayer rulings are open to public inspection subject to the confidentiality requirements prescribed by Section 9A-510.
 - (j) In this Section, "private taxpayer ruling" means a written determination by the Tax Collector issued pursuant to this Section that interprets and applies one or more Sections contained in this Chapter and any applicable regulations.
 - (k) A private taxpayer ruling issued by the Arizona Department of Revenue pursuant to A.R.S. Section 42-2101 may be relied upon by the taxpayer to whom the ruling was issued and must be recognized and followed by any Town in which such taxpayer has obtained a privilege license if the Town has not issued a ruling addressing the facts described in the taxpayer's ruling request and the statute at issue in the taxpayer's ruling request is, in essence, worded and written the same as the applicable Section hereunder.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

REGULATIONS

Reg. 9A-100.1. Brokers

- (a) For the purposes of proper administration of this Chapter and to prevent evasion of taxes imposed, brokers shall be wherever necessary treated as taxpayers for all purposes, and shall file a return and remit the tax imposed on the activity on behalf of the principal. No deduction shall be allowed for any commissions or fees retained by such broker, except as provided in Section 9A-405, relating to advertising commissions.
- (b) Brokers for vendors. A broker acting for a seller, lessor, or other similar person deriving gross income in a category upon which this Chapter imposes a tax shall be liable for such tax, even if his principal would not be subject to the tax if he conducted such activity in his own behalf, by reason of the activity being deemed a "casual" one. For example:
 - (1) An auctioneer or other sales agent of tangible personal property is subject to the tax imposed upon retail sales, even if such sales would be deemed "casual" if his principal had sold such items himself.
 - (2) A property manager is subject to the tax imposed upon rental, leasing, or licensing of real property, even if such rental, leasing, or licensing would be deemed "casual" if his principal managed such real property himself.
- (c) Brokers for vendees. A broker acting solely for a buyer, lessee, tenant, or other similar person who is a party to a transaction which may be subject to the tax, shall be liable for such tax and for filing a return in connection with such tax only to the extent his principal is subject to the tax.
- (d) The liability of a broker does not relieve the principal of liability except upon presentation to the Tax Collector of proof of payment of the tax, and only to the extent of the correct payment. The broker shall be relieved of the responsibility to file and pay taxes upon the filing and correct payment of such taxes by the principal.
- (e) (Reserved)
- (f) Location of Business. Retail sales by brokers acting for another person shall be deemed to have occurred at the regular business location of the broker, in a manner similar to that used to determine "out-of-Town sales"; provided, however, that an auctioneer is deemed to be engaged in business at the site of each auction.

Reg. 9A-100.2. Delivery, installation, or other direct customer services.

- (a) "Delivery Charges" exist only when the total charges to the ultimate customer or consumer include, as separately charged to the ultimate customer, charges for delivery to the ultimate consumer, whether the place of delivery is within or without the Town, and when the taxpayer's books and records show the separate delivery charges.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (1) Identification to the customer or consumer that the listed price has "delivery included" or other similar expression is insufficient to show the delivery as a separate charge. Only the separately stated charge for the delivery shall be deemed a "delivery charge".
 - (2) Freight in. Charges for delivery from place of production or the manufacturer to the vendor either directly or through a chain of wholesalers or jobbers or other middlemen are deemed "freight-in" and are not considered delivery.
- (b) "Installation", as used in this definition, relates only to tangible personal property. Installation to real property is deemed construction contracting in this Chapter. Examples of installation relating to tangible personal property are: installing a radio in an automobile; applying sun screens on the windows of a boat; installing cabinets, carpeting, or "built-in appliances" to a camper or motorized recreational vehicle.
- (c) Repair of tangible personal property is not included in this definition. See Regulation 9A-465.1.
- (d) "Direct Customer Services" means services other than repair rendered directly to the customer. Services or labor provided by any person prior to the transfer of tangible personal property to the customer or consumer are not included in this definition. In the following examples, the requirements of subsection (e) below are referred to by the words "identify" or "identification".
- (1) A retailer sells a customer a \$100 "plug-in" appliance, with a \$25 delivery and installation charge. If the retailer identifies the \$25 delivery and installation charge, it is a charge for direct customer services.
 - (2) A caterer charges his customer \$1,000 for the food and drink served, \$300 for setup and site cleanup, and \$500 for bartender and waiters. If all charges are properly identified, only the \$300 for set up and cleanup is a charge for direct customer services, and the \$1,500 for food and service is restauranting gross income.
 - (3) Persons engaged in engraving on wood, metal, stone, etc. or persons engaged in retouching photographs or paintings may consider such charges for labor as direct customer services.
 - (4) All charges by a photographer resulting in the sale of a photograph (sitting charges, developing, making enlargements, retouching, etc.) for services that occur prior to transfer of tangible personal property are not direct customer services.
 - (5) An equipment rental company charging \$25 for delivery may consider such delivery charge as a charge for direct customer service only if such charge is properly identified.
 - (6) Even if identified, charges for labor incurred in the production of any manufactured article or of a custom-made article (jewelry, artwork, tailoring, draperies, etc.) are not included in this definition, as such labor occurs prior to the transfer of property.
- (e) Recordkeeping requirements.
- (1) Any person who engages in transactions involving these services must:
 - (A) Separately bill, invoice, or charge the customer for such services in a manner by which the customer or consumer may readily identify the specific dollar amount of the service charge; and

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (B) Maintain business books and records in a manner in which the separate charge for such services can be clearly identified, to the satisfaction of the Tax Collector.
- (2) Rendering a statement to a customer for a transaction involving such services and the transfer of tangible personal property which only indicates the total amount of the charges with words such as "services included" or "charge includes labor and parts" or similar a expression does not satisfy the requirements of this subsection.

Reg. 9A-100.3. Retailers.

When in the opinion of the Tax Collector it is necessary for efficient administration of this Chapter, he may regard any salesman, representative, peddler, canvasser, or agent of any dealer, distributor, supervisor, or employer under whom he operates or from whom he obtains tangible personal property for sale, rental, lease, or license as a retailer for the purposes of this Chapter, irrespective of whether he is making sales, rentals, leases, or licenses on his own behalf or on behalf of others. The Tax Collector may also regard such dealer, distributor, supervisor, or employer as a retailer for the purposes of this Chapter.

Reg. 9A-100.4. Out-of-Town/Out-of-State Sales: Sales to Native Americans.

Sales to Native Americans or tribal councils by vendors located within the Town shall be deemed sales within the Town, unless all of the following conditions exist:

- (1) the vendor has properly accounted for such sales, in a manner similar to the recordkeeping requirements for out-of-Town sales; and,
- (2) all of the following elements of the sale exist:
 - (A) solicitation and placement of the order occurs on the reservation; and
 - (B) delivery is made to the reservation; and
 - (C) payment originates from the reservation.

Reg. 9A-100.5. Remediation Contracting.

The following activities are considered remediation contracting and are exempt:

- (1) excavation, transportation, treatment, and/or disposal of contaminated soil for purposes of site remediation (rather than characterization);
- (2) installation of groundwater extraction and/or injection wells for purposes of groundwater remediation;
- (3) installation of pumps and piping into groundwater extraction wells for remediation purposes;
- (4) installation of vapor extraction wells for the purpose of soil or groundwater remediation;

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (5) construction of remediation systems, such as groundwater treatment plants, vapor extraction systems, or air injection systems;
- (6) connection of remediation systems to utilities;
- (7) abandonment of groundwater or vapor extraction wells;
- (8) removal/demolition of remediation systems;
- (9) capping/closure construction activities; and
- (10) service or handling charges for subcontracted remediation contracting activities.

Reg. 9A-115.1. Computer hardware, software, and data services.

(a) Definitions.

- (1) "Computer Hardware" (also called "computer equipment" or "peripherals") is the components and accessories which constitute the physical computer assembly, including but not limited to: central processing unit, keyboard, console, monitor, memory unit, disk drive, tape drive or reader, terminal, printer, plotter, modem, document sorter, optical reader and/or digitizer, network.
- (2) "Computer Software" (also called "computer program") is tangible personal property, and includes:
 - (A) "Operating Program (Software)" (also called "executive program (software)"), which is the programming system or technical language upon which or by means of which the basic operating procedures of the computer are recorded. The operating program serves as an interface with user applied programs and allows the user to access the computer's processing capabilities.
 - (B) "Applied Program (Software)", which is the programming system or technical language (including the tape, disk, cards, or other medium upon which such language or program is recorded) designed either for application in a specialized use, or upon which or by means of which a plan for the solution of a particular problem is based. Typically, applied programs can be transferred from one computer to another via storage media. Examples of applied programs include: payroll processing, general ledger, sales data, spreadsheet, word processing, and data management programs.
- (3) "Storage Medium" is any hard disk, compact disk, floppy disk, diskette, diskpack, magnetic tape, cards, or other medium used for storage of information in a form readable by a computer, but not including the memory of the computer itself.
- (4) A "Terminal Arrangement" (also called "'on-line' arrangement") is any agreement allowing access to a remote central processing unit through telecommunications via hardware.
- (5) A "Computer Services Agreement" (also called "data services agreement") is an agreement allowing access to a computer through a third-party operator.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (b) For the purposes of this Chapter, transfer of title and possession of the following are deemed sales of tangible personal property and any other transfer of title, possession, or right to use for a consideration of the following is deemed rental, leasing, or licensing of tangible personal property:
- (1) Computer hardware or storage media. Rental, leasing, or licensing for use of computer hardware or storage media includes the lessee's use of such hardware or storage media on the lessor's premises.
 - (2) Computer software which is not custom computer programming. Such prewritten ("canned") programs may be transferred to a customer in the form of punched cards, magnetic tape, or other storage medium, or by listing the program instructions on coding sheets. Transfer is deemed to have occurred whether title to the storage medium upon which the program is recorded, coded, or punched passes to the customer or the program is recorded, coded, or punched on storage medium furnished by the customer. Gross income from the transfer of such prewritten programs includes:
 - (A) the entire amount charged to the customer for the sale, rental, lease, or license for use of the storage medium or coding sheets on which or into which the prewritten program has been recorded, coded, or punched.
 - (B) the entire amount charged for the temporary transfer or possession of a prewritten program to be directly used or to be recorded, coded, or punched by the customer on the customer's premises.
 - (C) license fees, royalty fees, or program design fees; any fee present or future, whether for a period of minimum use or of use for extended periods, relating to the use of a prewritten program.
 - (D) the entire amount charged for transfer of a prewritten ("canned") program by remote telecommunications from the transferor's place of business to or through the customer's computer.
 - (E) any charge for the purchase of a maintenance contract which entitles the customer to receive storage media on which prewritten program improvements or error corrections have been recorded or to receive telephone or on-site consultation services, provided that:
 - (i) if such maintenance contract is not optional with the customer, then the charges for the maintenance contract, including the consultation services, are deemed gross income from the transfer of the prewritten program.
 - (ii) if such maintenance contract is optional with the customer but the customer does not have the option to purchase the consultation services separately from the storage media containing the improvements or error corrections, then the charges for the maintenance contract, including the consultation services, are deemed gross income from the transfer of the prewritten program.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (iii) if such maintenance contract is optional with the customer and the customer may purchase the consultation services separately from the storage media containing the improvements or error corrections, then only the charges for such improvements or error corrections are deemed gross income from the transfer of a prewritten program and charges for consultation are deemed to be charges for professional services.
- (c) Producing the following by means of computer hardware is deemed to be the activity of job printing for the purposes of this Chapter:
 - (1) statistical reports, graphs, diagrams, microfilm, microfiche, photorecordings, or any other information produced or compiled by a computer; except as provided in subsection (e) below.
 - (2) additional copies of records, reports, manuals, tabulations, etc. "Additional Copies" are any copies in excess to those produced simultaneously with the production of the original and on the same printer, whether such copies are prepared by running the same program, by using multiple printers, by looping the program, by using different programs to produce the same output, or by other means.
- (d) Charges for the use of communications channel in conjunction with a terminal arrangement or data services agreement are deemed gross income from the activity of providing telecommunication services.
- (e) The following transactions are deemed direct customer services, provided that charges for such services are separately stated and maintained as provided by Regulation 9A-100.2(e):
 - (1) "Custom (Computer) Programming", which is any computer software which is written or prepared for a single customer, including those services represented by separately stated charges for the modification of existing prewritten programs.
 - (A) Custom computer programming is deemed a professional service regardless of the form in which the programming is transferred.
 - (B) Custom programming includes such programming performed in connection with the sale, rental, lease, or license for use of computer hardware, provided that the charges for such are separately stated from the charges for the hardware.
 - (C) Custom computer programming includes a program prepared to the special order of a customer who will use the program to produce copies of the program for sale, rental, lease, or license. The subsequent sale, rental, lease, or license of such a program is deemed the sale, rental, lease, or license of a prewritten program.
 - (2) Training services related to computer hardware or software, provided further that:
 - (A) the provider of such training services is deemed the ultimate consumer of all tangible personal property used in training others or provided to such trainees without separately itemized charge for the materials provided.
 - (B) training deemed a direct customer service does not include:

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (i) training materials, books, manuals, etc. furnished to customers for a charge separate from the charge for training services.
 - (ii) training provided to customers without separate charge as part of the sale, rental, lease, or license of computer hardware or software, or as part of a terminal arrangement or data services agreement.
- (3) The use of computer time through the use of a terminal arrangement or a data service agreement, but not charges for computer hardware located at the customer's place of business (for example, the terminal, a printer attached to the terminal, a modem used to communicate with the remote central processing unit over a telephone line).
- (4) Compiling and producing, as part of a terminal arrangement or computer services agreement, original copies of statistical reports, graphs, diagrams, microfilm, microfiche, photorecordings, or other information for the same person who supplied the raw data used to create such reports.
- (f) (Reserved)

Reg. 9A-200.1. When deposits are includable in gross income.

- (a) Refundable deposits shall be includable as gross income of the taxpayer for the month in which the deposits are forfeited by the lessee.
- (b) Nonrefundable deposits for cleaning, keys, pet fees, maintenance, or for any other purpose are deemed gross income upon receipt.

Reg. 9A-250.1. Excess tax collected.

If a taxpayer collects taxes in excess of the combined tax rate from any customer in any transaction, all such excess tax shall be paid to the taxing jurisdictions in proportion to their effective rates. The right of the taxpayer to charge his customer for his own liability for tax does not allow the taxpayer to enrich himself at the cost of his customers. Tax paid on an activity that is not subject to tax or that qualifies for an exemption, deduction, exclusion or credit is not excess tax collected.

Reg. 9A-270.1. Proprietary activities of municipalities are not considered activities of a governmental entity.

The following activities, when performed by a municipality, are considered to be activities of a person engaged in business for the purposes of this Chapter, and not excludable by reason of Section 9A-270:

- (a) rental, leasing, or licensing for use of real property to other than another department or agency of the municipality.
- (b) producing, providing, or furnishing electricity, electric lights, current, power, gas (natural or artificial), or water to consumers or ratepayers.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (c) sale of tangible personal property to the public, when similar tangible personal property is available for sale by other persons, as, for example, at police or surplus auctions.
- (d) providing wastewater removal services to consumers to ratepayers by means of sewer lines or similar pipelines.

Reg. 9A-270.2. Proprietary clubs.

- (a) Equity requirements. In order to qualify for exclusion under Section 14-270, a proprietary club must actually be owned by the members. For the purposes of qualification, a club will be deemed to be member-owned if at least eighty-five percent (85%) of the equity of the total amount of club-owned property is owned by bona fide individual members whose membership is represented in the form of shares, certificates, bonds, or other indicia of capital interest. A corporation may be considered an individual owner provided that it owns a membership solely for the benefit of one or more of its employees and it is not engaged in any business activity connected with the operation of the club.
- (b) Gross revenue requirements. In computing gross revenue for the computation of this fifteen percent (15%) rule of subsection 14-270(c)(1),
 - (1) the following shall be excluded:
 - (A) membership dues.
 - (B) membership fees which relate to the general admission to the club on a periodic (or perpetual) basis.
 - (C) assessments.
 - (D) special fund raising events, raffles, etc.
 - (E) donations, gifts, or bequests.
 - (F) gate receipts, admissions, and program advertising for not more than one tournament in any calendar year.
 - (2) the following must be included:
 - (A) green fees, court use fees, and similar charges for the actual use of a facility or part thereof.
 - (B) pro shop sales if the shop is owned by the club.
 - (C) golf cart rental if the carts are owned by the club.
 - (D) rentals, percentages, or commissions received for permitting the use of the premises or any portion thereof by a caterer, concessionaire, professional, or any other person for sales, rental, leasing, licensing, catering, food or beverage service, or instruction.

- (2) financial institutions doing business within the State whether part of a national chain or local business only.
- (3) sales of real estate located within the State.
- (4) health care facilities located within the State.
- (5) hotels, motels, and apartments, whether a national chain or local so long as the advertisement identifies any location within the State.
- (6) brokers doing business within the State whether stockbrokers, real estate brokers, insurance brokers, etc.
- (7) nonprofit organizations, which even though tax exempt, have an office, whether national, local, or branch, within the State.
- (8) political activity, except United States Presidential and Vice Presidential candidates.
- (9) restaurants or food service establishments which have one or more branches, outlets, or franchises within the State even though the local franchisee or licensee may not be responsible for the placement of the advertisement.
- (10) services provided by individuals or entities within the State such as doctors, lawyers, architects, hairdressers, auto repair shops, counseling services, utilities, contractors, auction houses, etc.

Reg. 9A-405.2. Advertising activity within the Town.

- (a) In General. Except as provided elsewhere in this regulation, a person engaged in advertising activity shall be considered to be doing business entirely within the Town if all or a major portion of the dissemination facilities such as broadcasting studios, printing plants, or distribution centers are located within the Town limits. Remote studios patched to an in-Town studio and subject to

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

engineering modulation or control at the in-Town studio are considered studios doing business in the Town.

- (b) Billboards and other outdoor advertising companies shall be considered to be doing business within the Town to the extent they have billboards or similar displays within the Town.
- (c) Publishers and distributors of newspaper and other periodicals shall be subject to the tax upon advertising imposed by Section 9A-405 and such tax shall be allocated in the manner prescribed by subsection (e) of Section 9A-435.

Reg. 9A-407.1. (Reserved)

Reg. 9A-415.1. Distinction between the categories of construction contracting.

For the purposes of this Chapter, transactions involving improvements to, or sales of, real property are designated into one of the following categories, and these categorizations shall apply, whether or not a person designates himself as a contractor, construction manager, developer, or otherwise:

- (a) A person performing improvements to real property is one of the following:
 - (1) an "Owner-Builder" when the work is performed by the owner or lessor or lessee-in-possession. An "owner-builder" may also be a "speculative builder".
 - (2) a "Construction Contractor" when performing work for the owner or lessor or lessee-in-possession of the real property, unless that person has provided a written declaration stating that:
 - (A) the owner-builder is improving the property for sale; and
 - (B) the owner-builder is liable for the tax for such construction contracting activity; and
 - (C) the owner-builder has provided the contractor his Town Privilege License number.
 - (3) a "Subcontractor" as provided in Section 9A-415(c).
- (b) An owner or lessor ("owner-builder") of improved real property is one of the following:
 - (1) a "Speculative Builder" as provided in Section 9A-100; or
 - (2) an "owner builder who is not a speculative builder" in all other cases.
- (c) The terms "owner", "lessor", and "lessee-in-possession" shall be deemed to include any authorized agent for such person.

Reg. 9A-415.2. Distinction between construction contracting and certain related activities.

- (a) Certain rentals, leases, and licenses for use in connection with construction contracting. Rental, leasing, or licensing of earthmoving equipment with an operator shall be deemed construction contracting activity. Rental, leasing, or licensing of any other tangible personal property (with or

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

without an operator) or of earthmoving equipment without an operator shall be deemed rental, leasing, or licensing of tangible personal property. For example:

- (1) Rental of a backhoe, bulldozer, or similar earthmoving equipment with operator is construction contracting. Rental of these items without an operator is rental of tangible personal property.
 - (2) Rental of scaffolding, temporary fences, or barricades is rental of tangible personal property.
 - (3) Rental of pumps or cranes is rental of tangible personal property, whether or not an operator is provided with the equipment rented.
- (b) Distinction between construction contracting, retail, and certain direct customer service activities.
- (1) When an item is attached or installed on real property, it is a construction contracting activity and any subsequent repair, removal, or replacement of that item is construction contracting.
 - (2) Items attached or installed on tangible personal property are retail sales.
 - (3) Transactions where no tangible personal property is attached or installed are considered direct customer service activities (for example: carpet cleaning, lawn mowing, landscaping maintenance).
 - (4) Demolition, earth moving, and wrecking activities are considered construction contracting.
- (c) Sale of consumable goods incorporated into or applied to real property is considered a retail sale and not construction contracting. Examples of consumable goods are lubricants, faucet washers, and air conditioning coolant, but not paint.
- (d) Installation or removal of tangible personal property which has independent functional utility is considered a retail activity.
- (1) "Tangible personal property which has independent functional utility" must be able to substantially perform its function(s) without attachment to real property. "Attachment to real property" must include more than connection to water, power, gas, communication, or other service.
 - (2) Examples of tangible personal property which has independent functional utility include artwork, furnishings, "plug-in" kitchen equipment, or similar items installed by bolts or similar fastenings.
 - (3) Examples of tangible personal property which does not have independent functional utility include wall-to-wall carpeting, flooring, wallpaper, kitchen cabinets, or "built-in" dishwashers or ranges.
 - (4) The installation of window coverings (drapes, mini-blinds, etc.) is always a retail activity.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Reg. 9A-415.3. Construction contracting; tax rate effective date.

- (a) In the event of a tax rate change, the rate imposed on gross income from construction contracting shall be computed based upon the rate in effect when the contract was executed, subject to the "enactment date" as defined in this section. Gross income from a contract executed prior to the enactment date shall not be subject to the tax rate change, provided the contract contains no provision that entitles the construction contractor to recover the amount of the tax.
- (b) In the event of a rate increase, in order to qualify for the lower rate, the construction contractor shall, upon request, provide sufficient documentation, in a manner and form prescribed by the tax collector, to verify that a contract was entered into before the enactment date.
- (c) For purposes of this section, "enactment date" shall be:
 - (1) in the event an election is held, the date of election.
 - (2) in the event no election is held, the date of final adoption by the mayor and council.
 - (3) notwithstanding the above, nothing in this section shall be construed to prevent the town from establishing a later enactment date.

Reg. 9A-416.1. Speculative builders: homeowner's bona fide non-business sale of a family residence.

- (a) A sale of a custom home, regardless of the stage of completion of such home shall be considered a "homeowner's bona fide non-business sale" and not subject to the tax on speculative builders if:
 - (1) the property was actually used as the principal place of family residence or vacation residence by the immediate family of the seller for the six (6) months next prior to the offer for sale; and
 - (2) the seller has not sold more than two (2) such residences (or, if the residence is a vacation residence, two (2) such vacation residences) within the thirty-six (36) months immediately prior to the offer for sale; and
 - (3) the seller has not licensed, leased, or rented the sold premises for any period within twenty-four (24) months prior to the offer for sale.
- (b) In the event that a homeowner of a family residence contracts with a licensed construction contractor for improvements to a residence, the construction contracting on a family residence shall be presumed to be for an owner's bona fide non-business purpose and all construction contractors shall be required to report and pay the tax imposed on all such improvements.
- (c) Purchases by a homeowner of tangible personal property for inclusion in any construction, alteration, or repair of his residence shall be subject to tax as retail sales to the ultimate consumer.
- (d) "Owner" and "Homeowner" as used in this Regulation shall only mean an individual, and no other entity, association, or representative shall qualify; except that an administrator, executor, personal representative, or guardian in guardianship or probate proceedings, for the estate of a deceased or incompetent person or a minor, may claim "homeowner" status for such person if such person would have otherwise qualified with respect to the specific property involved.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Reg. 9A-416.2. Reconstruction contracting.

- (a) "Reconstruction (of Real Property)" shall mean the subdividing of real property and, in addition, all construction contracting activities performed upon said real property; provided, however, that each of the following conditions are met:
- (1) a structure existed on said real property prior to the reconstruction activity; and
 - (2) the "prior value" of said structure exceeds fifteen percent (15%) of the "prior value" of the integrated property (land, improvements, and structure); and
 - (3) the total cost of all construction contracting activities performed on said real property in the twenty-four (24) month period prior to the sale of any part of the real property exceeds fifteen percent (15%) of the "prior value" of the real property; and
 - (4) the structure which existed on the real property prior to the reconstruction activity still exists in some form upon the property, and is included, in whole or in part, in the property sold.
- (b) Except as provided in subsection (c) below, "prior value" means the value of the total integrated property, with improvements, as existing immediately prior to any reconstruction activity. Where, according to Title 42 of the Arizona Revised Statutes, a property's full cash value for secondary tax purposes is intended to represent the property's fair market value, "prior value" shall be the property's full cash value for secondary property tax purposes as determined by the County Assessor in the year immediately preceding the year in which the reconstruction improvement(s) are or could have been included in the County Assessor's valuation. If the County Assessor's valuation is contested or appealed, the final determination at either the administrative or judicial level shall apply. Where, according to Title 42 of the Arizona Revised Statutes, a property's full cash value for secondary property tax purposes is not intended to represent the property's fair market value, "prior value" shall be the property's fair market value prior to the reconstruction improvement(s).
- (c) "Alternative Prior Value" shall mean that as an alternative to the "prior value" defined above, the taxpayer may use his actual cost of the reconstructed property prior to reconstruction, provided that evidence of such cost is presented to the Tax Collector and is determined by the Tax Collector, in his sole discretion, to be satisfactory. Such evidence shall consist, at a minimum, of proof of the actual, arms-length acquisition price, accompanied by a full appraisal of all property involved which appraisal shall have been performed by a real estate broker or MAI appraiser specifically for the purpose of assisting in the acquisition and further shall have been performed on behalf of the seller or a lending institution which has lent at least sixty-five percent (65%) of the acquisition price. (Only long term lending - not interim or construction financing will be considered.) This alternative value shall be used only if the property was acquired by the reconstruction taxpayer not more than thirty-six (36) months prior to a "sale" as defined below.
- (d) A "sale" for the purpose of determining "alternative prior value" or "reconstruction" only shall be deemed to have occurred as of the date of the execution of a contract of sale or a deed (joint tenancy or warranty) whichever is earlier, to a purchaser or grantee of any single residential or other occupancy unit. In addition to the foregoing, a lease with option to purchase a single residential unit shall be considered a "sale" at the date of execution of such lease if said option is

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

exercisable by the lessee in not later than nine (9) months. Further in the case of cooperative apartments, the sale date shall be the date of execution of the contract selling (subject or not to encumbrances, liens or security interests) of a share, or a sufficient number of shares which entitle the purchaser to the occupancy of a residential unit. In all cases a person shall include a husband and wife as a community, or any co-occupants of a single unit as joint tenants.

Reg. 9A-425.1. Distinction between job printing and certain related activities.

- (a) Computerized Printing. Computerized versions of all items which would be taxable under Section 9A-425 if performed without computerized assistance are considered taxable under that Section, and therefore, are not exempt services.
- (b) Book publishing. The printing of books shall be deemed job printing. Sales of books shall be deemed retail sales.
- (c) Publication of newspapers, magazines, or other periodicals shall not be considered job printing for the purposes of this Chapter.

Reg. 9A-435.1. Distinction between publishing of periodicals and certain related activities.

- (a) Book publishing shall not be considered publication of newspapers, magazines, or other periodicals for purposes of this Chapter. Sales of books shall be deemed retail sales. The printing of books shall be deemed job printing.

- (a) Room and board.
 - (1) Rooming houses, lodges, or other establishments providing both lodging and meals, shall maintain a record of the separate charges made for the lodging and the meals.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (2) The charge for lodging shall be subject to the tax imposed by Section 9A-444 or Section 9A-445. The charge for meals is subject to the tax upon restaurants and bars prescribed by Section 9A-455.
- (b) Furnished lodging. A person who provides lodging with furnishings shall be deemed to be only in the business of rental, leasing, and licensing of lodging, and not in the business of rental, leasing, and licensing of such furnishings as tangible personal property, unless:
 - (1) Any tenant of any lodging space may choose to rent, lease, or license such lodging space either furnished or unfurnished; and
 - (2) The lessor separately charges tenants for lodging and for furnishings; and
 - (3) The lessor separately maintains his gross income from lodging and from furnishings separately in his accounting books and records.

If all of the above conditions are met, such person shall report both sources of income separately to the Town.

Reg. 9A-450.1. Distinction between rental, leasing, and licensing for use of tangible personal property and certain related activities.

- (a) Certain rentals, leases, and licenses for use in connection with construction contracting. Rental, leasing, or licensing of earthmoving equipment with an operator shall be deemed construction contracting activity. Rental, leasing, or licensing of any other tangible personal property (with or without an operator) or of earthmoving equipment without an operator shall be deemed rental, leasing, or licensing of tangible personal property. For example:
 - (1) Rental of a backhoe, bulldozer, or similar earthmoving equipment with operator is construction contracting. Rental of these items without an operator is rental of tangible personal property.
 - (2) Rental of scaffolding, temporary fences, or barricades is rental of tangible personal property.
 - (3) Rental of pumps or cranes is rental of tangible personal property, regardless of whether or not an operator is included with the equipment rented.
- (b) Distinction between equipment rental, leasing, or licensing for use and transporting for hire. The hiring of mobile equipment (cranes, airplanes, limousines, etc.) is considered rental, leasing, or licensing of tangible personal property whenever the charge is for a fixed sum or hourly rate. By comparison, the activity of a common carrier conveying goods or persons for a fee based upon distance, and not time, shall be considered transporting for hire.

Reg. 9A-450.2. Rental, leasing, and licensing for use of tangible personal property: membership fees; other charges.

- (a) Membership, admission, or other fees charged by any rental club or limited access lessor are considered part of taxable gross income.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (b) Gross income from rental, leasing, or licensing for use of tangible personal property must include all charges by the lessor to the lessee for repair, maintenance, or other service upon the tangible personal property rented, leased, or licensed.
- (c) Sale of a warranty, maintenance, or service contract as a requirement of, or in conjunction with, a rental, leasing, or licensing contract is exempt.

Reg. 9A-450.3. Rental, leasing, and licensing for use of equipment with operator.

In cases where the tangible personal property is rented, leased, or licensed with an operator provided by the lessor, the charge for the operator shall not be includable in the gross income from the rental, lease, or license of such tangible personal property if the charge for the operator and the charge for the use of the equipment are separately itemized to the lessee and separately maintained on the books and records of the lessor.

Reg. 9A-450.4. Rental, leasing, and licensing for use of tangible personal property: semi-permanently or permanently installed tangible personal property.

- (a) The term "semi-permanently or permanently installed" means that the item of tangible personal property has and is expected to have at the time of installation a permanent location at the site installed, as under a long-term lease agreement, except that the person using or applying said property may eventually replace it because it has become worn out or has become obsolete or the person ceases to have the right to possession of said property.
- (b) An item of tangible personal property is deemed permanently installed if its installation requires alterations to the premises.
- (c) Examples of "semi-permanently or permanently installed tangible personal property" include, but are not limited to: computers, duplicating machines, furniture not of portable design, major appliances, store fixtures.
- (d) The term does not include mobile transportation equipment or tangible personal property designed for regular use at different locations or customarily used at different locations, as under numerous short-term rental, lease, or license agreements, whether or not such property is in fact so used.
 - (1) For example, use of a mobile crane, trencher, automobile, or other similar equipment shall be considered a rental, lease, or license transaction subject to taxation only by the city or town in which such business office of the lessor is based.
 - (2) Other similar examples include, but are not limited to: camping equipment, contracting equipment, chain saw, forklift, household items, invalid needs, janitorial equipment, reducing equipment, furniture of portable design, trucks or trailers, tools, towbars, sump pumps, arc welders.
- (e) A rental, lease, or license agreement which specifies that the item in question shall remain, under the terms of the agreement, located within the same city or town for more than one hundred eighty (180) consecutive days shall be sufficient evidence that such rented, leased, or licensed

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

item is "permanently or semi-permanently installed" in said city or town, except when the item is mobile transportation equipment or one of the other types of portable equipment or property described in subsection (d) above.

Reg. 9A-450.5. Rental, leasing, and licensing for use of tangible personal property: delivery, installation, repair, and maintenance charges.

- (a) Delivery and installation charges in connection with the rental, leasing, and licensing of tangible personal property are exempt from the tax imposed by Section 9A-450; provided that the provisions of Regulation 9A-100.2 have been met.
- (b) Gross income from the sale of a warranty, maintenance, or similar service contract in connection with the rental, leasing, and licensing of tangible personal property shall be exempt.
- (c) Separately stated charges for repair not included as part of a warranty, maintenance, or similar service contract relating to the rental, leasing, or licensing of tangible personal property are exempt from the tax imposed by Section 9A-450; however, such income is subject to the provisions of Sections 9A-460 and 9A-465, and the provisions of Regulation 9A-465.1.

Reg. 9A-455.1. Gratuities related to restaurant activity.

Gratuities charged by or collected by persons subject to the tax imposed by Section 9A-455 may be excluded from gross income if:

- (1) such charge is separately stated upon the bill, invoice, etc. provided the customer, and such amounts are maintained separately in the books and records of the taxpayer; and
- (2) such gratuities are distributed in total to employees of the taxpayer in addition to customary and regular wages.

Reg. 9A-460.1. Distinction between retail sales and certain other transfers of tangible personal property.

- (a) Charges for transfer of tangible personal property included in the gross income of the business activity of persons engaged in the following business activities shall be deemed only as gross income from such business activity and not sales at retail taxed by Section 9A-460:
 - (1) tangible personal property incorporated into real property as part of reconstruction or construction contracting, per Sections 9A-415 through 9A-418.
 - (2) sales of feed at wholesale, per Section 9A-420.
 - (3) job printing, per Section 9A-425.
 - (4) mining, timbering, and other extraction, but not sales of sand, gravel, or rock extracted from the ground, per Section 9A-430.
 - (5) publication of newspapers, magazines, and other periodicals, per Section 9A-435.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (6) rental, leasing, and licensing of real or tangible personal property, per Sections 9A-445 or 9A-450.
 - (7) restaurants and bars, per Section 9A-455.
 - (8) food for home consumption, per Section 9A-462.
 - (9) telecommunications services, per Section 9A-470.
 - (10) utility services, per Section 9A-480.
 - (11) wastewater removal services, per section 9A-485.
- (b) Distinction between construction contracting, retail, and certain direct customer service activities.
- (1) When an item is attached or installed on real property, it is a construction contracting activity and any subsequent repair, removal, or replacement of that item is construction contracting.
 - (2) Items attached or installed on tangible personal property are retail sales.
 - (3) Transactions where no tangible personal property is attached or installed are considered direct customer service activities (for example: carpet cleaning, lawn mowing, landscape maintenance).
 - (4) Demolition, earth moving, and wrecking activities are considered construction contracting.
- (c) The sale of sand, rock, and gravel extracted from the ground shall be deemed a sale of tangible personal property and not mining or metallurgical activity.
- (d) Sale of consumable goods incorporated into or applied to real property is considered a retail sale and not construction contracting. Examples of consumable goods are lubricants, faucet washers, and air conditioning coolant, but not paint.
- (e) Installation or removal of tangible personal property which has independent functional utility is considered a retail activity.
- (1) "Tangible personal property which has independent functional utility" must be able to substantially perform its function(s) without attachment to real property. "Attachment to real property" must include more than connection to water, power, gas, communication, or other service.
 - (2) Examples of tangible personal property which has independent functional utility include artwork, furnishings, "plug-in" kitchen equipment, or similar items installed by bolts or similar fastenings.
 - (3) Examples of tangible personal property which does not have independent functional utility include wall-to-wall carpeting, flooring, wallpaper, kitchen cabinets, or "built-in" dishwashers or ranges.
 - (4) The installation of window coverings (drapes, mini-blinds, etc.) is always a retail activity.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Reg. 9A-460.2. Retail sales: trading stamp company transactions.

A trading stamp transaction is defined as follows: the trading stamp company issues stamps to a vendor; the vendor then provides them to its customers; and the customer then exchanges the stamps for merchandise from the trading stamp company.

The exchange transaction for the merchandise shall be deemed a retail sale and the trading stamp company a retailer. All taxes imposed by this Chapter applicable to retail transactions are therefore applicable to such exchange transactions.

The rate of tax shall be the retail rate based upon the retail dollar value of the redeemed merchandise as expressed in the redemption dollar value per book of stamps or portion thereof. The tax imposition described herein is in lieu of any Privilege or Use Tax upon the business of issuing stamps, redeeming the same, or using or storing property redeemed.

Reg. 9A-460.3. Retail sales: membership fees of retailers.

Membership, admission, or other fees charged by limited access retailers are considered part of taxable gross income of the business activity of selling tangible personal property.

Reg. 9A-460.4. Retail sales: professional services.

- (a) "Professional Services" refer to services rendered by such persons as doctors, lawyers, accountants, architects, etc. for their customers or clients where the services meet particular needs of a specific client and only apply in the factual context of the client and the final product has no retail value in itself. For example, opinion letters, workpapers, reports, etc. are not in a form which would be subject to retail sales to customers. However, transfer of items in a form which would be subject to retail sales (e.g., artwork, forms, manuals, etc.) would not be considered professional services. The issue is one of fact which must be resolved in each situation.
- (b) Creative ("idea") labor and design labor that do not result in tangible personal property that will be or can be sold are deemed professional services and, if charged separately and maintained separately in the taxpayer's books and records, are not includable in gross income.
- (c) "Professional services" shall be deemed to include those items of tangible personal property which are incidental to the services rendered, provided such tangible personal property is "inconsequential".
 - (1) Incidental transfers of tangible personal property shall be regarded as "inconsequential" if,
 - (A) the purchase price of the tangible personal property to the person rendering the professional services represents less than fifteen percent (15%) of the charge, billing, or statement rendered to the purchaser in connection with the transaction, and

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (B) the tangible personal property transferred is not itself in a form which is subject to retail sale.
- (2) In cases where the tangible personal property transferred is deemed inconsequential, the provider of the tangible personal property so transferred is deemed the ultimate consumer of such tangible personal property, and subject to all applicable taxes imposed by this Chapter upon such transfer.
- (d) Examples:
 - (1) The transfer of paper embodying the result or work product of the services rendered by an attorney or certified public accountant is regarded as inconsequential to the charges for professional services.
 - (2) An appraisal report issued by an appraiser, reflecting such appraiser's efforts to appraise real estate, is regarded inconsequential.
 - (3) Use of a hair care product on a client's hair by a barber or beautician in connection with performing professional services is usually inconsequential. On the other hand, if the barber or beautician supplies the customer with a bottle of the product for the client's use thereafter and without the professional's assistance, the transfer of the bottle of hair care product is deemed not inconsequential.
 - (4) If a mortician properly segregates his professional services from other taxable activities on his bill (invoice, contract), his gross income would include only the income derived from the sale of tangible personal property (casket, cards, flowers, etc.) and rental, leasing, or licensing of real and tangible personal property. His charges for professional services (embalming, cosmetic work, etc.) would not be includable in gross income.

Reg. 9A-460.5. Retail sales: monetized bullion; numismatic value of coins.

- (a) "Monetized Bullion" means coins or other forms of money manufactured or minted from precious metals or other metals and issued as legal tender or a medium of exchange by or for any government authorized to do so.
- (b) Any coin shall be considered to have been transferred or acquired primarily for its "Numismatic value" if the sale or acquisition price:
 - (1) is equal to or greater than twice (2 times) the value of the metallic content of the coin as of the date of transfer or acquisition; and
 - (2) is equal to or greater than twice (2 times) its face value, in the case of a coin which, at the time of transfer or acquisition, was legal tender or a medium of exchange of the government issuing or authorizing its issuance.

Reg. 9A-460.6. Retail sales: consignment sales.

Sales of merchandise acquired on consignment are taxable as retail sales. In cases where the merchant is acting as an agent on behalf of another dealer, sales of the consigned merchandise are taxable to the

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

principal, provided the merchant makes full disclosure to customers that he is acting only as an agent for the named principal. However, when the principal is not deemed to be a dealer, such sales are considered to be those of the merchant and are taxable to him.

Reg. 9A-465.1. Retail sales: repair services.

- (a) Fair market value of parts and labor charges. The Tax Collector may examine the reporting of all transactions covered by this Section to determine if an "arms-length" price is charged for the parts and materials. The applicable tax may not be avoided by pricing a part, which ordinarily sells to the customer at \$10, at \$5 and including the difference as "service" or "labor". In the absence of satisfactory evidence supplied by the taxpayer as to industry or business practice, the Tax Collector may use the cost of the part or materials to the taxpayer marked up by a reasonable profit, to estimate the gross income subject to tax.
- (b) (Reserved)

Reg. 9A-465.2. Retail sales: warranty, maintenance, and similar service contracts.

- (a) Gross income from sales of warranty, maintenance, and service contracts is exempt from the tax imposed by Section 9A-460.
- (b) Transfers of tangible personal property in connection with a service, warranty, guaranty, or maintenance agreement between a vendor and a vendee shall be subject to tax under Section 9A-460 only to the extent of gross income received from separately itemized charges made for the items of property transferred.
- (c) The gross income derived from a maintenance insurance agreement, which agreement is entered into between the purchaser and any person other than the seller is not subject to tax imposed by Section 9A-460. If the provider of the maintenance insurance agreement pays for tangible personal property on behalf of the insured in the performance of the agreement, such sales are subject to all applicable taxes imposed by this Chapter.
- (d) Charges for tangible personal property provided under the terms of a warranty, maintenance, or service contract exempted under Section 9A-465 are subject to tax as retail sales.
- (e) However, gross income received by a dealer from a manufacturer for work performed under a manufacturer's warranty is not taxable under Section 9A-460.

Reg. 9A-465.3. Retail sales: sale of containers, paper products, and labels.

- (a) The sale of a container or similar packaging material which contains personal property and which is transferred to the customer with the sale of the product is not taxable as a sale for resale. Examples of such nontaxable containers include but are not limited to:
 - (1) packaging materials sold to a manufacturer of video equipment for containment of the product during shipment.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (2) cellophane-type wrap sold to a meat department or butcher for containment of the individually wrapped or contained meat.
 - (3) bags used to contain loose fungible goods such as fruits, vegetables, and other products sold in bulk, where such bags or containers are used to contain and measure the amount purchased by the customer.
 - (4) shopping bags and similar merchandising bags sold to grocery stores, department stores or other retailers.
 - (5) gift wrappings and gift boxes sold to department stores or other retailers.
- (b) Sales of non-returnable or disposable paper (and similar products such as plastic or styrofoam) cups, lids, plates, bags, napkins, straws, knives, forks and other similar food accessories to a restaurant or others taxable under Section 9A-455 for transfer by the restaurant to its customer to contain or facilitate the consumption of the food, drink or condiment are sales for resale and not taxable.
 - (c) Where a retailer imposes a charge for gift wrapping and the charge includes the container, paper, and other appropriate materials, the wrapping charge shall be considered a sale.
 - (d) Charges for returnable containers, where the charges are imposed on the customer, are subject to tax at the time of the transaction. A credit may be taken for the amount of refund after such refund is made.
 - (e) The sale of labels to a purchaser who affixes them to a primary container is a sale for resale and not taxable. Directional or instructional material included with products sold are considered to be part of the product and a sale for resale. However, the sale of items such as price tags, shipping tags, and advertising matter delivered to the customer in connection with the retail sale is taxable to the retailer as a retail sale to it, and is not exempt as a sale for resale.

Reg. 9A-465.4. Retail sales: aircraft acquired for use outside the State.

"Aircraft acquired for use outside the State" means aircraft, navigational and communication instruments, and other accessories and related equipment sold to:

- (a) Any foreign government for use by such government outside of this state.
- (b) Persons who are not residents of this state and who will not use such property in this state other than in removing such property from this State. This subsection also applies to corporations that are not incorporated in this State, regardless of maintaining a place of business in this State, if the principal corporate office is located outside this State and the property will not be used in this State other than in removing the property from this State.

Reg. 9A-470.1. Telecommunication services.

- (a) Gross income from the business activity of providing telecommunication services to consumers within this Town shall not include:

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

- (1) charges for installation, maintenance, and repair of telecommunication equipment which are subject to the provisions of Sections 9A-415, 9A-416, or 9A-417 (construction contracting); 9A-445 (real property rental); 9A-450 (tangible personal property rental); or 9A-460 (retail sales); depending upon the nature of the work performed.
 - (2) separately billed advertising charges which are subject to the provisions of Section 9A-405 or 9A-435.
- (b) Mobile equipment. In cases where the customer is being provided telecommunication services to receiving/transmission equipment designed to be mobile in nature (for example, mobile telephones, portable hand-held two-way radios, paging devices, etc.), the provider shall, for the purposes of the tax imposed by this Section, determine whether such provider's customers are "within this Town" as follows:
- (1) by the billing address of the customer, provided that such address is a permanent residence or business location of the consumer within the State.
 - (2) in all other cases, the business location of the telecommunications provider.

Reg. 9A-475.1. Distinction between transporting for hire and certain related activities.

The hiring of mobile equipment (cranes, airplanes, limousines, etc.) is deemed rental, leasing, or licensing for use of tangible personal property whenever the charge is for a fixed sum or hourly rate. By comparison, the activity of a common carrier conveying goods or persons for a fee based upon distance, and not time, shall be considered transporting for hire.

Reg. 9A-520.1. (Reserved)

Reg. 9A-520.2. Change of method of reporting.

- (a) Any taxpayer electing to change his reporting method shall be permitted to do so only upon filing a written request to the Tax Collector and after receiving written approval of the Tax Collector. The approval shall state the effective date of the change.
- (b) The Tax Collector may postpone such approval to allow for examination of the records of the taxpayer and may further require that all tax liability be satisfied up to the effective date of the change.
- (c) Failure of the taxpayer to notify the Tax Collector and await approval before changing the method of reporting will subject the taxpayer to interest and penalties if his original method of reporting would produce higher taxes due the Town. When a person makes such change without the consent of the Tax Collector, the Tax Collector may audit his books and records to verify the tax liability as of the date of the change.
- (d) Any taxpayer who has failed to indicate a choice of reporting method upon the application for a Privilege License shall be deemed to have chosen the accrual method of reporting.

CHAPTER 9A – PRIVILEGE AND EXCISE TAXES

Reg. 9A-555.1. (Reserved) (State Administration and Audits)

- (1) designate the individual to provide information.
 - (2) describe specifically or generally the information to be provided, and any documents sought to be examined.
 - (3) state the date, time, and place in which the individual shall appear before the Tax Collector to provide the information and to produce the documents sought.
 - (4) be directed to:
 - (A) any director, officer, employee, agent, or representative of the person sought to be examined; or

 - (C) any other person who, in the opinion of the Tax Collector, has knowledge of facts bearing upon any tax liability of the person or taxpayer from whom information is sought.
- (b) The failure of a taxpayer to comply with reasonable requests for records without good reason or cause may, in the exercise of judicial discretion by a court, be held to constitute a failure to exhaust administrative remedies.

Reg. 9A-571.1. Collection of tax in jeopardy.

Evidence that collection of tax due is in jeopardy shall include documentation that:

- (a) the taxpayer is going out of business.
- (b) the taxpayer has no Town Privilege License or has no permanent business location in the State.
