The Wickenburg Town Council has allocated \$65,000 for physical improvements that benefit the public on Town-owned property. If you have a public project idea, this is your chance. Get your group organized and develop a project plan (Town staff can help). Prepare your best sales pitch to get community members to vote for your project. The project with the most votes will be funded and constructed. Good luck!

Town of Wickenburg

Frequently Asked Questions

REAL MONEY, REAL POWER:

PARTICIPATORY BUDGETING

Who can submit a project application?

Any Wickenburg resident or organization, group or business located in Wickenburg is eligible to submit a project application.

Who can vote?

Any Town of Wickenburg resident high school age and over with a utility bill or ID card showing address in Town limits.

How do I know how much my project will cost?

Come to one of the workshops or reach out to Town staff to help you estimate the cost of the project. It must be less than \$65,000.

What if I can't be there on Voting Day?

There is no absentee or mail-in voting. If you want to vote, then you have to be at the Community Center on voting day.

What projects are eligible?

Any project that provides a public benefit and is located on Town-owned property is eligible. Project must be less than \$65,000.

Can I submit more than one project application?

You can submit as many applications as you want, but you will also be responsible to plan and promote each project.

What will happen on Voting Day?

Each project will be presented. Each eligible voter will be given a single ballot. Choose the project you want funded on your ballot, and then drop it in the ballot box. Vote in person or via phone!

Who will do most of the work on my project submittal?

You will! Town staff will be available to assist you in estimating costs, feasibility, etc. However, the applicant will be responsible for the project submittal and promotion.
