RE: Downtown Planning Community Workshop April 12, 2018

AW

Dear Property Owner:

The Town of Wickenburg cordially invites you to join us for a Downtown Planning Community Workshop on Thursday, April 12, 2018 at 6:00 pm at the Wickenburg Community Center Banquet Room, 160 N Valentine Street. This meeting is your opportunity to provide input on a downtown vision addressing the opportunities and issues for the area over the next several decades. You will also be able to provide feedback on preferred architectural design standards in an effort to maintain the western heritage and culture of our downtown area. The meeting will be interactive and facilitated by the Town's consultant. Mark your calendars and plan to join your neighbors at this important meeting.

Furthermore, the Town of Wickenburg would like to thank the many property owners who have attended our various public meetings regarding the proposed downtown redevelopment area. On March 5, 2018, the Town Council chose not to designate a redevelopment area boundary at this time. The Town Council directed staff to continue working with property owners and the general public to move forward with downtown planning and creating architectural design standards.

Following the April meeting, another public meeting is tentatively planned for June when the vision statement and downtown visual preferences will be presented for feedback. The draft downtown plan is then tentatively scheduled for presentation in August for further community input. The final plan will then be considered by the Planning and Zoning Commission and the Town Council between November, 2018 and February, 2019. More details regarding times and locations of these meetings will be announced in the future.

We look forward to having you join us on Thursday, April 12, 2018 at 6:00 pm at the Community Center Banquet Room. If you have any questions before the meeting, please contact Aaron White, Economic Development and Community Relations Director, at awhite@wickenburgaz.org or 928-668-0522.
